THE WINCHESTER SCHOOL DISTRICT ANNUAL REPORT

The 2009 Annual Report is dedicated to HERMON WINTER

Hermion Winter was born on March 17, 1921. He served in the National Guard during World War II. Herm married his wife, Louise, in 1944. Their only child, Richard, was born in 1945. In the early 1950's Herm moved his family to Winchester and purchased the house in which they still live.

Over the years, Herm worked for O'Neal's Paper Service and Woodflour, both previously operational in town. Herm has dedicated himself to public service by serving on the Winchester Police Department for more than 40 years before retiring in 2002. While serving as a police officer he also held the position of Animal Control Officer, worked security at the town meetings, voting polls, and policed the high school basketball games. Herm, for many years, made it a point to be on school grounds prior to and after school to insure our children came and went without incident. For nearly half a century, Herm worked every major event including serious crimes, accidents, floods, fires, storms, and other incidents that struck our community, always in a professional manner, always assisting residents in any way he could. For the victims of crimes and accidents, Herm usually had tears in his eyes reflecting his caring attitude. For those who tested his strength and confronted him, they often took a quick trip to the ground on their way to the back seat of the police cruiser. If you have the time, he has the stories.

Herm enjoys spending time with his family and friends. He also enjoys fishing, hunting, and playing horseshoes. Herm's ability in playing horseshoes earned him the title of New Hampshire State Horseshoe Champion in 1972.

Herm was the recipient of the Community Citizen's Award in 1994 from the Arlington Grange. Among other awards he also received an award for recognition of years of service from the Winchester Police Department in 2002.

Herm, we thank you for your years of contributions and service to the Town of Winchester and it's citizens.

TOWN MEETING WARRANT
SB2
TOWN OF WINCHESTER
STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Winchester, in the County of Cheshire in said state, qualified to vote in Town affairs:

You are hereby notified to meet in the Town Hall in said Winchester on Saturday the 7th of February next 2009 at nine o'clock in the forenoon to discuss, debate and amend warrant articles #1 through #40 and to receive the reports of the selectmen, town treasurer and other town officers including the agents and committees and act thereon. Final vote will be by the official ballot on Tuesday, March 10, 2009.

You are hereby notified to meet in the Town Hall in said Winchester on Tuesday, the 10th of March next 2009 at eight o'clock in the forenoon to act upon the following subjects. The Polls not to close an hour earlier than seven of the clock in the afternoon.

ARTICLE 1. To choose all necessary Town Officers for the ensuing year.

ARTICLE 2. To see if the Town will vote to raise and appropriate the sum of up to Three Million Four Hundred Thousand Dollars (\$3,400,000.00) for the purpose of preparing plans and specifications, and for the reconstruction of the Winchester Wastewater Treatment Plant, that will qualify the Town for federal and state funds, such sum to be raised by serial bonds and notes, under and in compliance with the provisions of the Municipal Finance Act (NHRSA 33:1 et seq as amended) and to authorize the Board of Selectmen to issue and negotiate such bonds or notes, to determine the interest rate thereon, and to take such actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Winchester; and further to authorize the Board of Selectmen to apply for, accept, and expend grants, donations, and gifts, and to participate in the State Revolving Fund, established pursuant to RSA 486:14.

To be enacted, this article requires a 3/5 vote.

Recommended by the Board of Selectmen 5-0

Recommended by the Budget Committee 9-2

ARTICLE 3. Shall the Town of Winchester raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$3,555,071.00? Should this article be defeated, the default budget shall be \$3,564,362.00, which is the same as last year, with certain adjustments required by previous action of the Town of Winchester

ARTICLE 3. *cont.* or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

Recommended by the Board of Selectmen 5-0

Recommended by the Budget Committee 10-1

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of \$40,000.00 for the Town's share of State road grant reconstruction costs for bridges and place it in the non-lapsing Capital Reserve Fund established at the March 2006 Town Meeting under Article 19 for that purpose?

Recommended by the Board of Selectmen 4-0

Recommended by the Budget Committee 11-0

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of \$28,677.00 to be placed in the Capital Reserve Fund established under Article 16 at the 2006 Town Meeting for the purpose of performing the assessing update or revaluation of the real estate in the Town of Winchester scheduled for 2009-2010?

Recommended by the Board of Selectmen 5-0

Recommended by the Budget Committee 11-0

ARTICLE 6. To see if the Town will raise and appropriate \$24,800.00 as the fourth of five lease-to-purchase payments for the 2007 International dump truck, plow, and sander package?

Recommended by the Board of Selectmen 5-0

Recommended by the Budget Committee 11-0

ARTICLE 7. To see if the Town will vote to establish a Capital Reserve Account under the provisions of RSA 35:1 III for the purpose of future upgrades and/or purchase of the town's computers and networking system, and to raise and appropriate the sum of \$10,000.00 to be placed in this fund with the Board of Selectmen being the agent of said fund?

Recommended by the Board of Selectmen 4-0

Recommended by the Budget Committee 9-1, 1 abstention

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 for promoting commercial and industrial development in the Town, and name the Board of Selectmen as agents to expend said funds? This is to be a non-lapsing account.

Recommended by the Board of Selectmen 4-0

Recommended by the Budget Committee 11-0

Change to read: To see if the Town will vote to raise and appropriate the sum of \$15,000.00 for promoting commercial and industrial development in the Town, and name the Board of Selectmen as agents to expend said funds? This is to be a non-lapsing account up to five years after the end of the fiscal year.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to be placed in the Police Cruiser Capital Reserve Fund established in 2006 at the Town Meeting under Article 14?

Recommended by the Board of Selectmen 4-0
Recommended by the Budget Committee 10-1

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$18,340.00 to payoff frozen sick time for Town employees?

Recommended by the Board of Selectmen 4-0
Recommended by the Budget Committee 10-1

Change to read: To see if the Town will vote to raise and appropriate the sum of \$18,340.00 to payoff frozen sick time for Town employees as previously agreed? This employment policy of the Town has since been discontinued.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to hire a professional firm to prepare an impact fee schedule?

Recommended by the Board of Selectmen 4-0
Recommended by the Budget Committee 11-0

Change to read: To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to hire a professional firm to prepare an impact fee schedule, which will allow impact fees to be collected from developers?

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$6,000.00 to support the annual Pickle Festival?

Recommended by the Board of Selectmen 5-0
Recommended by the Budget Committee 11-0

ARTICLE 13. To see if the Town will vote to raise and appropriate an amount not to exceed \$18,000.00 to be deposited in the Evergreen Expendable General Care Trust Fund established by an affirmative vote by the 1998 Town Meeting as Article 11; the source of these funds to be withdrawn from the surplus generated by the perpetual care funds already established for the care and maintenance of lots within the Evergreen cemetery, and not from taxation.

- ARTICLE 13. *cont.* Recommended by the Board of Selectmen 5-0
Recommended by the Budget Committee 11-0
- ARTICLE 14. To see if the Town will raise and appropriate the sum of \$50,000.00 for the purpose of subsidizing youth recreation in the Town to be paid to the E.L.M. Memorial Community Center on a contractual basis?
- Inserted by petition
Recommended by the Board of Selectmen 4-0
Recommended by the Budget Committee 9-2
- ARTICLE 15. Are you in favor of raising and appropriating the sum of Six Thousand Dollars (\$6,000.00) for the support of The Winchester Learning Center, provided that the Winchester Learning Center raises an equal or greater amount from other sources?
- Inserted by petition
Recommended by the Board of Selectmen 3-0, 2 abstentions
Recommended by the Budget Committee 6-5
- ARTICLE 16. To see if the Town will vote to raise and appropriate up to \$10,000.00 to reimburse the Conant Public Library Investment Account at Ocean Bank for the purchase a new boiler for the Conant Public Library?
- Recommended by the Board of Selectmen 5-0
Recommended by the Budget Committee 9-2
- ARTICLE 17. Shall the Town vote to discontinue the Class 6 portion of Fullam Pond Road?
- Recommended by the Board of Selectmen 5-0
- ARTICLE 18. Shall the Town vote to adopt the provisions of RSA 36-A:4-a, I(a) to authorize the conservation commission to expend funds to purchase interests in land outside the boundaries of our municipality, subject to the approval of the local governing body?
- Recommended by the Board of Selectmen 5-0
- ARTICLE 19. To see if the Town will adopt the provisions of RSA 466:30-a which make it unlawful for any dog to run at large, except when accompanied by the owner or custodian, and when used for hunting, herding, supervised competition and exhibition or training for such?
- Recommended by the Board of Selectmen 5-0

ARTICLE 20. To see if the Town will vote to discontinue the Reassessment Capital Reserve Fund established by Warrant Article #21 at the May 1987 Town Meeting? These funds were expended in full June 1996. This is a clean-up Warrant Article per the Department of Revenue.

Recommended by the Board of Selectmen 5-0

ARTICLE 21. "Shall we adopt the provisions of RSA 72:37b, for an optional tax credit of \$750.00 on residential property for the expanded local property tax relief for all residents who have been declared to be disabled under the U.S. Federal Social Security Act?"

Inserted by petition

Change to read: "Shall we adopt the provisions of RSA 72:37b, for an optional tax credit of \$0.00 on residential property for the expanded local property tax relief for all residents who have been declared to be disabled under the U.S. Federal Social Security Act?"

ARTICLE 22. Pursuant to RSA 41:8-d, "Are you in favor of decreasing the board of selectmen to 3 members?"

Inserted by petition

ARTICLE 23. In accordance with RSA 231:62 are you in favor of electing a Highway Agent for a three year term?

Inserted by petition

Change to read: To see if the Town will vote to continue to operate under an appointed road agent?

ARTICLE 24. Shall the Town, in accordance with RSA 79-A:25, deposit in the conservation fund up to \$4,000.00 of the revenues per year collected in Land Use Change taxes, and deposit the balance of all such revenues in the general fund for the purpose of reducing taxation?

Inserted by petition

Change to read: Shall the Town, in accordance with RSA 79-A:25, deposit in the conservation fund, 75 percent of the revenues per year, collected in Land Use Change taxes, and deposit the balance of all such revenues in the general fund for the purpose of reducing taxation?

ARTICLE 25. To see if the Town of Winchester will accept the road known as Ashten Rue in the subdivision known as Woodward Heights Subdivision, as a town road.

Inserted by petition

ARTICLE 26. We the town's people of Winchester, New Hampshire would like to have it put into the town's policy that the animal control officer position be elected rather than being appointed by town officials.

Inserted by petition

Change to read: We the town's people of Winchester, New Hampshire choose to commend Gene Park, animal control officer, for his many years of dedicated service.

ARTICLE 27. Are you in favor of the adoption of amendment #1 as proposed by the Planning Board? To amend Article III, Q to read: Uncommon multiple uses of a property will require a special exception.

ARTICLE 28. Are you in favor of the adoption of amendment #2 as proposed by the Planning Board? To amend Article III, T: Replace paragraph on signage with a new sign ordinance.

ARTICLE 29. Are you in favor of the adoption of amendment #3 as proposed by the Planning Board? To amend Article III, J: Duplexes and multifamily housing, decrease minimum lot size requirements and density would be calculated by number of bedrooms and not units.

ARTICLE 30. Are you in favor of the adoption of amendment #4 as proposed by the Planning Board? To amend Article III, K: Delete conversion and accessory apartments terms and consolidate the minimum housing requirements. (Homes are either single family, duplex or multifamily).

ARTICLE 31. Are you in favor of the adoption of amendment #5 as proposed by the Planning Board? To amend Article XXII(Table of usage): Updates to A4, A5a, A5b, H1 & F5.

ARTICLE 32. Are you in favor of the adoption of amendment #6 as proposed by the Planning Board? To amend Article XXI (Definitions): Delete A, accessory apartments & H, Conversion.

ARTICLE 33. Are you in favor of the adoption of amendment #7 as proposed by the Planning Board? Adopt the Small Wind Energy Ordinance.

ARTICLE 34. Are you in favor of the adoption of amendment #8 as proposed by the Planning Board? To amend Article III, U: Delete existing paragraph and replace with a new Steep Slopes Ordinance?

ARTICLE 35. Are you in favor of the adoption of amendment #9 as submitted by the Board of Selectmen. To amend Article XXII,(Table of Usage) J3: Change J3 and add J4 & J5; To allow composting facilities by special exception in the agricultural & commercial districts, subject to multiple conditions and still prohibit facilities designed to incinerate or dispose of solid waste, unless owned by the town and continue to allow storage of waste generated on site pending removal, recycling or collected by volunteers.

Recommended by the Planning Board

ARTICLE 36. Are you in favor of the adoption of amendment #10 as submitted by petition? To amend by removing all the Planned Residential Development Ordinances?

Not recommended by the Planning Board

ARTICLE 37. Are you in favor of the adoption of amendment #11 as submitted by petition? To request the Planning & Zoning Board to uphold & enforce the Steep Slopes Ordinance?

ARTICLE 38. Are you in favor of the adoption of amendment #12 as submitted *by petition?* *To amend by removing all the Back Lot Ordinances.*

Not recommended by the Planning Board

ARTICLE 39. Are you in favor of the adoption of amendment #13 as submitted by petition? To amend by prohibiting the installation of any new underground or fuel storage tanks in the downtown business district zone.

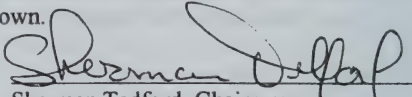

Not recommended by the Planning Board

ARTICLE 40. Are you in favor of the adoption of amendment #14 as submitted by petition? To amend with new language, item #3 under J, Industrial uses, to allow by special exception facilities designed to process, recycle, treat and transport solid waste, refuse and putrescible materials as defined by RSA's only in the agricultural or highway commercial districts with restrictions.

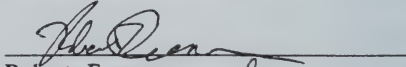

Not recommended by the Planning Board

We, the undersigned Selectmen of the Town of Winchester, hereby certify on the 9th day of February, 2009 an Attested Copy of the Original Warrant was posted at the place of meeting within specified, at the Post Office in Winchester and the Post office in Ashuelot, New Hampshire being public Places in said Town.

True Copy of Warrant-Attest:

Sherman Tedford, Chairman

Kenneth Berthiaume

Roberta Fraser

Gustave Ruth

Theodore G. Whippie

Then personally appeared, Sherman Tedford, Kenneth Berthiaume, Roberta Fraser, Gustave Ruth and Theodore G. Whippie, Selectmen of the Town of Winchester, and made oath that the foregoing affidavit by them is true.

Before me:

Ellen A. Cole

TOWN OF WINCHESTER

INCORPORATED JULY 2ND 1753

1 Richmond Road • Winchester, New Hampshire 03470

Voice: (603) 239-4951 • Fax: (603) 239-4710 • TDD Access: Relay NH 1-800-735-2964

selectmen@winchester.nh.gov • www.winchester-nh.gov

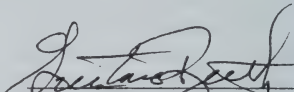

The year 2008 posed a lot of challenges for the Board of Selectmen to face. In March, the citizens voted out the Town Manager form of government. That posed quite a challenge for the Board, as we had to transition from town manager to town administrator while still keeping the town operating in a smooth and orderly manner. After many different scenarios, we are finally on the road to success for the Town. We have a very qualified town administrator and dedicated employees to get the job done.

Going forward our goals as a Board are to keep spending under control, while still providing the same quality of services for the citizens; truly create a "village" atmosphere where everyone can work together for our Town to succeed; and work to keep an open and transparent government where anyone can feel comfortable bringing us their concerns or advice. The year 2008 was a difficult and transitional year for the Town, but we are now ready to flourish in 2009.

Winchester Board of Selectmen:

Sherman Tedford, Chairman

Gustave Ruth

Kenneth Berthiaume

Roberta Fraser

Theodore Whippie

Town Administrator's Report

The year 2008 brought a significant change to the local government here in Winchester. At the Town Meeting in March of 2008, the people voted to return to the "Town Administrator" form of government. This means that the decision making authority with respect to finances, budgets, policy, personnel, and related matters have become the statutory responsibilities of the Board of Selectmen. The role of the Town Administrator is to provide support for the Selectmen, to carry out the Board's instructions, and to oversee the day-to-day operation of the Town's business and departments.

At the time of this vote Amy Lewis, who was the Selectmen's secretary, expressed interest in the Town Administrator position and was appointed to the position because of her background and experience. The Board was aware, however, that one day she would need to relocate because her husband's work would require it. Amy worked diligently while she was here to clearly define the role of the Town Administrator relative to the needs of the Board, good business practice for the Town, and accessibility and responsibility to the people of Winchester. During the six months Amy held this office, I had the privilege of working closely with her in this task.

When Amy Lewis left in September of 2008, the Board appointed me as the new Town Administrator. I have worked for the people of Winchester for almost five years and I felt it was time to carry the same level of diligence and care I have provided in the assessing office to each and every individual to the next level, as the Town's new Administrator. Furthermore, in order to maintain the same level of service in assessing and to conserve funds, we blended the duties of the Property Records Department together with the Town Administrator's duties. To carry out this plan, the Board also appointed an experienced Administrative Assistant, Ellen Cole.

The year 2008 also brought significant changes to our economy. The impact of these hard economic times has been felt by all Winchester residents. The deteriorating economy presents many challenges to our town government as we strive to reduce expenses, provide needed services, and operate more efficiently and responsibly. Additional challenges before the Town include the failing Wastewater Treatment Plant and the closed bridge on Old Westport Village Road. I encourage everyone to take the time to read the individual reports printed in this book, and to feel free to ask us questions or offer constructive ideas as we work together towards efficient, responsive, and financially responsible town government.

In conclusion, I wish to thank each and every Town employee and the Selectmen for their hard work during this past year and I look forward to working with all of you as we face many challenges together. I would also like to express my gratitude on behalf of the people of Winchester for those who have volunteered their time for various town committees or events, and also for those residents who come in seeking information or offering helpful suggestions with regard to our town government. Over the past five years, I have met and worked with many of you, and now I look forward to serving you as Town Administrator in the coming year. My door is always open and excellent "customer service" and accessibility in local government is our goal.

Respectfully submitted,

Robert Gray
Town Administrator

GENERAL INFORMATION

INVENTORY OF TAXABLE PROPERTY:

This year (2008/2009) the inventory form will not be mailed out to the property owners of Winchester. Whenever an inventory form is mailed out, New Hampshire law states that this form must be completed, signed, and returned to the Selectmen's Office on or before April 15th of the year of the mailing. If an inventory form is not filed on time, the property owner loses the right to appeal his or her assessment with the town and with the Board of Tax and Land Appeals or Superior Court. Forms are mailed in late March whenever an inventory is taken, so if you do not receive one contact the assessor's office in early April and one will be sent to you. If the inventory form is returned after the due date a penalty will be assessed on the second issue tax billing. The inventory form due date is April 15th.

VETERAN'S TAX CREDIT:

To be eligible an applicant must meet state residency and military service requirements. If a person receiving this credit changes his or her domicile, or a veteran's spouse becomes a widow or widower during the year, a new permanent application must be filed with this office. The town also offers a tax credit for service connected total and permanent disability. This is the only disability credit/exemption that the town offers and all applications must be validated. The due date for this application is April 15th.

ELDERLY EXEMPTION:

This exemption has three categories: age 65-74, age 75-79, and 80 years of age and older. Besides meeting age requirements there are annual income and asset restrictions for those applying for this exemption. The due date for this application is April 15th.

BLIND EXEMPTION:

Applicants who are declared legally blind are eligible for this exemption. The due date for this application is April 15th.

CURRENT USE:

Applicants must meet minimum lot size and other classification requirements in order to receive the current use credit on their land. Once land is put into current use there is a penalty tax applied when the use of the land is changed and it no longer qualifies for current use. The current use application deadline is April 15th.

INTENT TO CUT TIMBER:

Prior to each cutting operation every owner must file an intent to cut form with the Selectmen's Office. No cutting shall begin until local and state approval is given. Permits received from the state are to be posted at the site.

INTENT TO EXCAVATE:

Every owner who intends to excavate earth shall obtain a 155-E permit from the Town and then file a Notice of Intent to Excavate with the assessing officials where such excavating is to take place. This intent must be filed prior to commencing each excavating operation and at the beginning of each tax year (April 1) for continuing operations. There is a fee of \$100 for each original intent filed, made payable to the State of New Hampshire.

BUILDING PERMIT:

Any person, firm, corporation, municipality, public agency, or institution desiring to operate, maintain, offer for rent, lease, or tenancy any site, lot, field, tract of ground for location of any building, trailer or manufactured housing, or similar conveyance, place, or abode for shelter, or any other form of development-as defined in the Town of Winchester Zoning Ordinance-shall obtain a written operating [BUILDING] permit from the Board of Selectmen.

A fee to be set annually by the Board of Selectmen and payable to the Town of Winchester is required with the issuance of each permit. When permits are not used within one year from the date of issuance an application for renewal of permit must be made, and, if granted, will entail the payment of a new fee. Where applicable, it would be necessary to have received and to show proof of having received an "Approval of Construction", granted by the NH Department of Environmental Services, Water Supply and Pollution Control Division for the construction of any septic tank system-or, where applicable-a Certificate of Sewer Availability from the Board of Selectmen-before a building permit or permit to park manufactured housing shall be issued.

No building construction may begin before the permit is issued. The building permit application fee is based on the square footage of the structure. New residential construction is based on \$.12 per square foot; renovations are \$.12 per sq. ft., and commercial construction is \$.15 to \$.20 per sq.ft. The minimum fee is \$20.00. Electrical, mechanical, and plumbing permits have a flat fee of \$35.00 each.

A Demolition Permit must be obtained before the demolition and removal of any building. The fee is \$35.00 for this permit.

MANUFACTURED HOUSING:

Whenever a person moves manufactured housing into a city or town for the purpose of establishing a residence in said city or town, or whenever a person purchases existing manufactured housing with the intent of residing in the same at the existing location, he shall within fifteen days of the placement of the manufactured housing, or within fifteen days of the purchase of the same, register with the assessors of the city or the selectmen of the town where he or she intends to reside. Anyone who fails to comply with the provisions of this section shall be guilty of a violation. (RSA 72:7-B)

Further, it shall be unlawful for any person to move manufactured housing into, out of, or within the Town of Winchester without first obtaining a permit from the Board of Selectmen. The hauler of such manufactured housing shall have the permit in his possession at the time of the move.

The granting of such permit shall entail a fee, which shall be set by the Board of Selectmen, not to exceed \$100.00. This does not apply to manufactured housing that passes through the town in transit, both from and to another town.

Supplemental information is required, proving that taxes are paid up to date in whichever town it is being moved from, if used, or that the home is brand new from the factory, if new.

Line 8 is the maximum allowable increase to budget committee's recommended budget. Please enter this amount on the bottom of the posted budget form, MS7, 27, or 37.

Please attach a copy of this completed supplemental schedule to the back of the budget form.

DEFAULT BUDGET OF THE TOWN

OF: WINCHESTER

For the Ensuing Year January 1, _____ to December 31, _____

or Fiscal Year From JULY 1, 2009 to JUNE 30, 2010

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

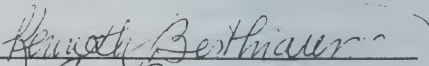

1. Use this form to list the default budget calculation in the appropriate columns.
 2. Post this form or any amended version with proposed operating budget (MS-6 or MS-7) and the warrant.
 3. Per RSA 40:13, XI, (a), the default budget shall be disclosed at the first budget hearing.

GOVERNING BODY (SELECTMEN)

or

Budget Committee if RSA 40:14-b is adopted

CERTIFICATION

This is to certify that the information contained in this report was taken from official records and is complete to the best of our knowledge and belief.

Signatures of a majority of the governing body:

Shawn Smith
Christine Smith
Thomas G. Whelan
Mark P. ...

GENERAL INSTRUCTIONS

Three copies of this report are sent to each municipality. Selectmen, treasurer and tax collector are expected to cooperate in making out this report. When completed, one copy should be returned to the Department of Revenue Administration and one copy should be placed in your municipal records. The third copy is for use in preparing the annual printed report for the voters.

Please be sure you have completed Part I X, items A-D.

WHEN TO FILE: (R.S.A. 21-J:34,V)

- * For cities/towns reporting on a calendar year basis, this report must be filed on or before April 1.
- * For cities/towns reporting on an optional fiscal year basis (year ending June 30), this report must be filed on or before September 1.

Board of Selectmen
Town of Winchester, New Hampshire

We have compiled the financial statements of the Town of Winchester, New Hampshire for the year ended June 30, 2008 included in the accompanying Form F-65 (MS-5), in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

Our compilation was limited to presenting in the form prescribed by the New Hampshire Department of Revenue Administration, information that is the representation of Town Officials. We have not audited or reviewed the financial statements referred to above and, accordingly, do not express an opinion or any other form of assurance on them.

The financial report, Form F-65 (MS-5), is presented in accordance with the requirements of the New Hampshire Department of Revenue Administration which differ from accounting principles generally accepted in the United States of America. Accordingly, these financial statements are not designed for those who are not informed about such differences.

REPORT OF TRUST AND CAPITAL RESERVE FUNDS

\$ 1,836,535.90

Please insert the total of ALL funds here

Town/City Of: Winchester For Year Ended: 2008

CERTIFICATE

This is to certify that the information contained in this report was taken from official records and is correct to the best of our knowledge and belief.

Dean Beaman DEAN BEAMAN
Henry A. L. Beaman
Kenneth A. Cole
Print and sign

Signed by the Trustees of Trust Funds

on this date AUGUST 21, 2008

REMINDERS FOR TRUSTEES

- SIGNATURES** - Print and sign on lines provided above.
- INVESTMENT POLICY** - RSA 31:32 requires the trustees to adopt an investment policy and review and confirm this policy at least annually.
- PROFESSIONAL BANKING AND BROKERAGE ASSISTANCE** - RSA 31:38-a enables you to have a professional banking or brokerage firm assist you in performing your trustee duties. Refer to the law for further information. Attributable expenses may be charged against the trust fund involved, however, please be advised the fees can be taken from income only and not from principal.
- WEB SITE** - A trustee handbook can be down loaded from the web site for the Attorney General's Charitable Trust Division. www.nh.gov/nhdoj/charitable/
- FAIR VALUE** - Fold and complete page 4 to disclose the fair value (market value) of principal only. This information may be obtained from financial publications or from your professional banker or broker.
- CAPITAL RESERVE FUND** - Must be kept in a separate account and not intermingled with any other funds of the municipality (RSA 35:9).
- WHEN and WHERE TO FILE** - By March 1 if filing for a calendar year and by September 1 if filing for optional fiscal year. See addresses on page 4 of this form. If you hold funds for the school, the school business administrator will also need a copy for the school's financial report.

REPORT OF COMMON TRUST FUND INVESTMENTS

Town/City Of: Winchester For Year Ended: 2008

CERTIFICATE

This is to certify that the information contained in this report was taken from official records and is correct to the best of our knowledge and belief.

Dean Beaman DEAN BEAMAN Signed by the Trustees of Trust Funds
Henry A. L. Pacheco on this date AUGUST 21, 2008
Kenneth A. Cole Kenneth A. Cole
 Print and sign

REMINDERS FOR TRUSTEES

- SIGNATURES** - Print and sign on lines provided above.
- INVESTMENT POLICY** - RSA 31:32 requires the trustees to adopt an investment policy and review and confirm this policy at least annually.
- PROFESSIONAL BANKING AND BROKERAGE ASSISTANCE** - RSA 31:38-a enables you to have a professional banking or brokerage firm assist you in performing your trustee duties. Refer to the law for further information. Attributable expenses may be charged against the trust funds involved, however, please be advised the fees can be taken from income only and not from principal.
- WEB SITE** - A trustee handbook can be down loaded from the web site for the Attorney General's Charitable Trust Division. www.nh.gov/nhdof/charitable/
- FAIR VALUE** - Fold and complete page 4 to disclose the fair value (market value) of principal only. This information may be obtained from financial publications or from your professional banker or broker.
- CAPITAL RESERVE FUND** - Must be kept in a separate account and not intermingled with any other funds of the municipality (RSA 35:9).
- WHEN and WHERE TO FILE** - By March 1 if filing for a calendar year and by September 1 if filing for optional fiscal year. See addresses on page 4 of this form. If you hold funds for the school, the school business administrator will also need a copy for the school's financial report.

**Wastewater Treatment Facility
Annual Report
July 2007/ July 2008**

This year the Town of Winchester took over the operations of the wastewater treatment facility on July 1st. The plant processed 91.6789 million gallons of Influent and discharged 83.6642 million gallons of treated Effluent to the Ashuelot River. There was a total of 454,500 gallons of sludge trucked from the facility by casella transportation, inc. The following is a brief list of repairs and maintenance preformed by town personnel.

1. # 1 clarifier had new underground conduit installed. New electrical wires were ran between the #1 clarifier and the main control panel once conduit was installed. This project was preformed due to the old conduit had failed.
2. All manhole frames and covers were replaced on route 10. This project took approximately three months and was accomplished with the help of the highway department, water department, and selectmen.
3. The #2 oxidation ditch was cleaned out manually with the assistance of the water department and the use of the highway department dump truck. Once the ditch was cleaned the rotors were rebuilt and the drive system serviced.
4. The #2 Influent pumps had a new variable frequency drive installed and the control signal from the wet well upgraded. All loose wiring around influent pumps was removed at this time to bring this area up to code.
5. The Bilo pump station was upgraded with a new submersible pump system. This replaced the old pneumatic system. This project was contracted out to SUR construction.
6. The main plant generator had a new day tank and return pump installed. This was done due to the failure of the old tank and pump. The main plant generator also received a major service at this time. The following pump station generators received a major service, Ashuelot pump station, Broadbrook pump station, Bilo pump station, and Plumb pack pump station.

Winchester Highway Department Annual Report 2007-2008

Wow! What a year. This past year was the wettest in New Hampshire history according to The National Weather Service. In Concord where official snowfall amounts were measured, 119.5" fell which was the second largest accumulation since they started keeping records in the 1800s. Here in Winchester we had over 120", which did not include sleet and freezing rainstorms.

Materials used to treat our 130 lane miles of roads during adverse weather conditions during the winter months was also unprecedented. Normal winters would see us use approximately 2,500 yards of winter sand, this past year we used over 5,000 yards. An average amount of salt would be about 1,200 ton. The winter of 2007-2008 saw us consume over 1,600 tons and there was a period of over three weeks when it was impossible to get, in an effort to conserve both cost and supply we began to mix salt and sand as an attempt to keep our roadways safe for travel, even though our University of New Hampshire class would teach us this is not effective, we had to improvise because of product availability.

When warmer weather finally arrived all departments and the Board of Selectmen were in conservation mode. Many meetings were held to discuss the budget and any cost cutting measures we could plot or design. We all knew we had a crumbling infrastructure, fuel costs at record highs, salt prices and availability, material such as sand, crushed gravel, stone all have seen hefty increases, hot top or pavement (petroleum based) at a unparalleled expense.

The following is a brief synopsis after the brainstorming that the Highway Department put in motion this past year.

1. New Hampshire Department of Transportation notified the Town of a pending paving project from Route 78, 119 and 10 intersections to just north of Forest Lake Road. This meant that smart planning would dictate sewer manholes would have to be raised and repaired from Rite Aid to New Beginnings Co-op, with zero dollars allocated in the Budget. The project couldn't be put out to bid. The road agent approached the Chairman of the Board of Selectmen and said, Sherm, the Highway crew can get this job accomplished if the waste treatment operator would help. *Get Her Done*-we did, working around vacations, weather and heavy traffic we supplied all the flaggers, signage, and manpower and the task was complete before the paving started.
2. With the Select board's foresight we reopened an old gravel pit of Plumb Pak Road. Working with a local contractor screening began and the byproducts recovered from this process will save the Town money in the budget for years to come. There should be enough winter sand to carry us through at least two winters and possibly a third. Tailings or stone, the end product from the process is also a valued commodity, which we use for drainage, filling holes, and repairing severe washouts. This 1.5", 4" minus, and 6" plus stone should last us for several years.
3. Working with yet another local contractor in the so-called Perry Pit, formerly the Qualters Pitt (now Town owned) reclaiming, sloping and seeding began. Cleaning up old stockpiles and excavating 2 small areas that were left we were able to procure 3,000 yards of crushed gravel. This product is invaluable in maintaining over 65 lane miles of dirt roads. Yet another cost savings measure implemented by the Board of Selectmen and the Highway Department.
4. Liquid calcium chloride was not done in June. Which is normally the case. For those that live on dirt roads you know why this product is applied and those that don't I'll try to explain. One nuisance created on gravel roads is dusting. Dusting occurs when weather or traffic causes fine aggregates to release into the air. As

much as one ton of aggregate is lost per gravel road each year for every vehicle using the road. Reasons to use dust stabilization (calcium chloride) include: to respond to resident complaints, reduce material loss, save on expensive maintenance and minimize impact on the nearby environment. Fortunately for all as aforementioned New Hampshire had the wettest year ever recorded with not many hard downpours in this area. The good lord blessed us with his own dust control.

5. To avoid the escalating cost of hot top we devised a way to get the most for our buck. The plan called for us to try and preserve as many miles of our paved roads as we could by chip sealing. Burt Hill Road was done from Manning Hill Road to Back Ashuelot Road also Forest Lake Road from Route 10 to Lake Shore Drive including a portion of Rabbit Hollow Road. We also started reclaiming a portion of Scotland with plans to go back next year and do more work on this road. The completion of Old Westport Road was put on hold because of the Wheelock Brook Bridge replacement is near. Hot top was applied to various roads as a temporary shim coat. The roads included Ashuelot Street, Broad Brook Road, Allen Hill, Headlands Road, and Rabbit Hollow Road.

After being notified from New Hampshire Department of Transportation that bridge inspections recommended closing and barricading of the Wheelock Brook Bridge and strong suggestion from our insurance carrier and legal advice we closed it immediately. We strived to do an upgrade on Very Brook Road to accommodate the heaving traffic load it was sure to receive. The narrow roadway with fuel trucks, rubbish trucks, construction trucks, emergency responders and regular passenger cars is very dangerous. The Town has plans to replace this bridge in 2010 using 80% funding from the State of New Hampshire Bridge Aid Funding. Broad Brook Road Bridge was also on the bridge inspection report with recommending 3 ton weight limit which means fuel trucks and other heavier vehicles legally can't Passover the bridge. We ask for your support when funding is required from the Town for the replacements of these bridges.

In an effort to increase knowledge and keep up with advances in technology, certain members of Highway Department have been to school. The University of New Hampshire Technology Transfer Center offers classes throughout the year, this program is part of the New Hampshire Road Scholars Program as a matter of fact through our Local Government Center. All Highway personnel have been certified and received their flagging certifications, which was very valuable when we did the manhole project on Route 10. Without this certification the Town could be fined by the Department of Labor and looked upon by the insurance carrier unfavorably. Flagging certification is now mandatory in the State of New Hampshire for state roads, as well as town roads, because of all the deaths accruing on road projects across the United States. By continuing this education we hope to have three members of the Highway Department achieve master road scholars degrees in the near future.

Because of all the projects and cost cutting measures undertaken this past year we neglected parts of our normal schedule for the summer and fall months. Roadside mowing, brush clearing, tree cutting, some grading and ditching were passed. We all will work diligently to ensure these projects will continue this coming year.

Thank you for your continued support and remember to call with any legitimate concerns regarding roadways or drainage issues. We can be reached at 239-4811 or send us an email at: dgray@winchester.nh.gov.

Respectfully submitted,

Dale Gray, Road Agent

Annual Report of the Winchester Water Department for the Year 2008

During the calendar year of 2008 the Winchester Water Department pumped 156,197,300 gallons of water with the majority of this being sold to our many customers and the remaining used for fire fighting, flushing of the water mains and lost through leaks and water main breaks. Revenue received from the sale of this water is used to fund the yearly budget, to make payments after catastrophic events such as a major water main break and to fund capitol improvement projects. The Winchester Water Department is funded solely through these revenues and not from taxation.

Our capitol improvement project to upgrade our wells is still going strong and is estimated to be completed during the early summer of 2009. Even though the project is still underway, we have seen improvements in the reliability and efficiency of the equipment that has already been installed and look forward to the time when we will have all of the new equipment up and running. One of the last two major elements of this project to be installed is the radio telemetry system which will allow all three of our wells and the storage tank to communicate with each other in order to monitor, control and operate the water system in an efficient and reliable manner. The second element is the installation of an emergency generator at Well #3 and the connection of Well #2 to the existing generator located next door at our Well #1. These generators will provide emergency power to all of our wells during brief or extended power outages.

The Winchester Water Department consists of two full time employees, a superintendent and an assistant, our part-time clerical worker was laid off in April as a cost saving effort for both the Water and Sewer Departments. Since this lay off we have been assisted by other employees at Town Hall with them answering calls, taking messages, assisting with water/sewer bills and aiding us in many other ways, the Water Department thanks these employees for their assistance. Our department has had other personnel changes this past year; Rick Meleski has moved on to become the primary operator/superintendent of the Winchester Waste Water Treatment Plant. In his place we have hired a new employee, Ric Brooks. The employees of the Water Department, with the assistance of the Sewer and Highway Departments, maintain and operate a water distribution system of 28 ¼ miles of piping; three gravel packed wells, 190 fire hydrants, one 550,000 gallon storage tank and 1052 water services. The water system is operated within all guidelines and regulations put forth by the New Hampshire Department of Environmental Services (NH D.E.S.) and the United States Environmental Protection Agency (US EPA). All water samples are in compliance with the Safe Drinking Water Act, the results of these water samples are available from our office.

Gary Puffer, Superintendent. Employed full time in the water industry since 1990

Ric Brooks, Assistant. Employed in the water industry since 2008

Town of Winchester **Police Department** **2008 Annual Report**

It is truly my privilege to present the 2008 Annual Report of the Winchester Police Department. Like all of us, 2008 has presented your police department with a myriad of challenges.

The Winchester Police Department is a fully trained professional police organization, providing twenty-four hour law enforcement services seven days a week.

For the second connective year the Department's incident reports, (criminal and serious situations), and arrests have declined. It will be a continued goal of our agency to maintain the trend into next year by striving to sustain our partnership with you, the citizens of Winchester, in the suppression of crime. We look forward to continuing aggressive prosecutions and patrols, with our target set squarely at the deterrence of criminal activity, and overall enhancement of the quality of life locally.

The Winchester Police were challenged with some very serious crimes this past year. Armed Robbery, First Degree Assaults, and a violent shooting just to name a few. Our agency in coordination with fellow law enforcement agencies were more than up to the tasks, and succeeded in holding those responsible accountable.

The Department competed for and received several thousand dollars in federal monies for the purchase of police equipment including a state of the art Law Enforcement Thermal Imager. Officer training grants were also applied for and received.

As is the case in most small police agencies, there were changes in personnel during 2008 that presented your police department with the challenges of added workloads and service demands. Your police department was more that up to the challenge. Although the departed officers will be missed, their replacements are truly Winchester's gain.

Christopher Roberts, a police veteran of nineteen years, was promoted to Patrol Sergeant and Officer Scott Hurley represented the Town of Winchester admirably by receiving the very coveted Community College Scholarship award based upon academic excellence when he graduated with honors from the 145th New Hampshire Police Academy.

Significant police station renovations to the booking, training and squad areas were accomplished primarily due to the efforts of officers volunteering their time.

Gary A. Phillips
Chief of Police

Thank you again to the many area businesses for their donations and support to the Winchester Police Department. The Department received three new TASER devices, bicycle rodeo supplies, desks, lockers, chairs, a large conference table and the list goes on.

I have been a police officer in excess of twenty-six years and have never had the privilege to serve with a more dedicated group of employees than those of the Winchester Police Department.

Faced with a future of economic and social uncertainties, I can assure you with every confidence that your police department will be up for the challenges.

Please accept our sincere gratitude for allowing us to serve you.

Winchester Conservation Commission
Flora – Fauna – Air – Soil – Water – Recreation
1 Richmond Road – Town Hall – Winchester – New Hampshire

2008 ANNUAL REPORT

The mission of the Winchester Conservation Commission is to insure the proper use and protection of all natural resources within the town, and to protect Winchester's watershed resources. The Winchester Conservation Commission provides a focal point for environmental concerns in the Town of Winchester.

The WCC manages several parcels of land. Most of the parcels are designated as town forests, and two parcels are lands with conservation stipulations. All town lands managed by the WCC are open for use for recreational purposes, such as hiking, picnicking, snowmobiling, hunting and fishing, where appropriate.

The Commission may advise the Planning Board and other local bodies on conservation matters. It may act more directly to protect natural resources by acquiring, with the approval of the Selectmen, the fee or a lesser interest in land or water resources.

The WCC "may advertise, prepare, print and distribute books, maps, charts, plans and pamphlets...necessary for its work." Informing the public about the nature and reasons for a particular project of a conservation commission is as vital to its success as the initial research and thought behind it.

The Commission reviews applications for dredge and fill permits and applications for wetlands permits. The WCC may "intervene" or request time to investigate a permit filed with the DES wetlands bureau.

The following is a list of the WCC activities in 2008:

- A new sign carved by Jon Baldvins for the commission was placed on the Gardiner Mountain Conservation Area.
- The Meetinghouse Hill town forest was dedicated to William H. Jennings.

A sign carved by Jon Baldvins was placed on the entrance to the trail thru the Willard H. Jennings Forest.

- The gravel pit near well #3 is in an area of town forest managed by the WCC. This year it was excavated for sand and gravel which was used by the Highway Department. This saved the

town \$45,000, which it would otherwise have had to spend for winter sand and gravel. The WCC also surveyed an area to be cleared of trees in order to expand the gravel pit for future town savings for sand and gravel material.

- The commission worked with Jeremy Miller from ACCESS to initiate a 4-H after school program led by Brenda Kelly. The 4-H group worked on an interpretive trail on the Gardiner Mountain property.
- The WCC hired The Southwest Region Planning Commission to prepare a natural resources inventory which will be included as a chapter in the new Winchester Master Plan.
- Membership donations were made to other conservation agencies who share our mission: Monadnock Conservancy, New Hampshire Timber Owner's Association, The Nature Conservancy, and the Friends of Pisgah.
- Commission members (spearheaded by John Hann) corresponded with and met several times with state senators, state representatives and members of other interested parties to urge the U.S. Fish and Wildlife Service to once again focus their attentions to the Mirey Brook and Roaring Brook areas of Winchester and the Sprague Brook area of Richmond for inclusion in the proposed Silvio O. Conte Wildlife Refuge.
- Two picnic tables and a trash container were placed at the Winchester Riverpark pavilion. The area around the pavilion was raked and seeded.
- The commission has made progress with a project to get permanent public access to Pulpit Falls.

A list of conservation properties acquired by the town can be seen on the Winchester website at www.winchester-nh.gov by clicking on the Boards and Committees link, then the Conservation Commission link. The Commission meets the third Thursday of each month at 7:00 pm in the Town Hall, and welcomes guests.

Respectfully submitted,

Gus Ruth, Chairman

January 2009

To the Citizens of Winchester:

Your Town Clerk/Tax Collectors office continues to be a busy place on a daily basis. The Tax Collectors office serviced 9,374 mail and window customers. The Town Clerks office serviced 7,977 window and telephone customers.

We continue to offer vital record services, providing certified copies of death certificates as well as birth certificates and marriages licenses. The cost is \$12.00 for the first copy and \$8.00 for each additional copy. We also provide Justice of Peace and Notary Republic services.

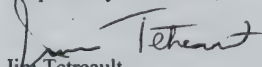

We again handle the transfer station stickers at the tax window. \$20.00 for the first sticker and \$1.00 for each additional sticker. Please remember to bring in your license plate number.

Winchester enjoyed a very active political season with many residents participating in both the Presidential Primary and the Presidential election. We continue to be very busy assisting with new voter registrations.

The Tax Office also works with residents who may have difficulties paying their water/sewer bill. We hope you will feel comfortable about coming in so we can discuss payment plan options to help you remain current.

As many of you are now aware, our office hours have changed. We are open Monday through Thursday from 7:00 AM to 5:30 PM. We are pleased to offer these hours so our customers more opportunity to attend to their business.

Respectfully Submitted,

Jim Tetreault,
Town/Clerk Tax Collector

Karey Miner,
Deputy Town Clerk/Tax Collector

Building Inspection, Code Enforcement and Health Office
2008 Report

The building inspection this year was very slow due to the economy. Most permits issued were for electrical, decks, barns and sheds. Only 11 permits were issued for new homes. We did issue two commercial building permits, one just at the end of the year for winter construction.

The health office was busy addressing issues on West Nile Virus, Homeland Security Planning, Triple EEE mosquito control, unsanitary homes and septic failures. The health assistant, John Gomarlo, and I attended a seminar sponsored by DES on the new laws for outside boiler systems that went into affect in August.

Code Enforcement is always busy addressing 101 Life Safety problems in apartment buildings, working with residents to clean up junky yards, and removing unregistered/uninspected motor vehicles. We are also working with restaurants to properly manage their grease traps to avoid grease flowing into our sewerage system. This causes major problems at our sewer plant.

Total building permits issued in 2008

	2006	2007	2008
SF homes	14	12	11
MF housing	12	5	1
Multi-family	0	0	0
Commercial	3	2	2
Industrial	1	0	0
Renovation/additions	28	11	22
Decks, sheds, porches	44	45	32
Garages, barns, carports	17	10	14
Other	34	13	20
Demolitions	4	7	4
Renewals	-	-	10

Winchester/Richmond Solid Waste Management District Annual Report

This past year has seen a blatant disregard for rules and regulations governing our brush pit area. Legally at the present time we can accept untreated or unpainted wood, brush or slash less than five inches in diameter. What we find is plastics of all kinds, plywood, pressboard, painted or stained wood, hay, straw, grass clippings, glass, and many other illegal materials. Many man-hours are wasted picking and sorting these products. Currently, state regulations (ENV-A1000) prohibit the burning of all components of construction and demolition debris including clean wood such as dimensional lumber for all individuals, or companies. The only exception to this rule is municipal transfer stations under the supervision of a certified solid waste operator. However, this only will be until December 31, 2010 when we only will be allowed to burn brush-period.

The following is a brief review of New Rules and Regulations implemented in the past two years. July 1, 2007, the State of New Hampshire made it mandatory to separate electronic devices such as TVs, video display devices, computer monitors, liquid crystal displays, and plasma displays. Basically, anything that depicts a picture over 4 inches in size requires special handling as any hazardous waste demands.

January 1, 2008, new regulations prohibit the disposal of mercury containing items at all landfills, transfer stations, and incinerators. The most common items found in homes would include thermometers, fluorescent lamps, thermostats, mercury button cell batteries (and rechargeable batteries) switches and relays. Homeowners and businesses alike are subject to the ban.

Residents in Winchester can take advantage of the household hazardous waste collection days to dispose of their mercury items as well as lead based paint, antifreeze, turpentine, pesticides, brake fluid, charcoal starter, etc. The facility is located adjacent to the Keene Recycling Center on Route 12 North and no cost is associated with this program because it's included in our budget.

Collection Schedule for 2009-2010 Series:

Summer/Fall 2009

Sat, July 11	Wed, July 15
Sat, July 25	Sat, Aug 8
Wed, Aug 12	Sat, Aug 22
Sat, Sept 12	Wed, Sept 16
Sat, Sept 26	Sat, Oct 3
Wed, Oct 7	Sat, Oct 17

Spring 2010

Sat, Mar 20	Wed, Mar 24
Sat, Mar 28	Sat, Apr 10
Wed, Apr 14	Sat, Apr 24
Sat, May 8	Wed, May 12
Sat, May 15	Sat, June 5
Wed, June 16	Sat, June 19

All Collections will run from 8:00AM – 1:00PM

Responsibilities of the District also include maintenance of the closed and capped landfill with groundwater and methane gas testing done three times a year. We also survey settlement platforms, check areas for erosion, loam and seed when necessary, check and clean drainage swales, and mow twice a year. Reports are sent to the Department of Environmental Services and we are pleased to inform that everything is in good condition.

The following is a list of all materials and approximate amounts handled at the transfer station:

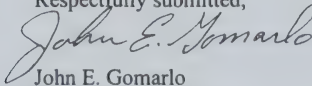

Municipal Solid Waste (household rubbish)	1,368.26 tons
Mixed paper including cardboard	193 tons
Co-mingled (tin, aluminum, plastic)	53.9 tons
Glass	80 tons (est.)
Construction and demolition debris	127.81 tons
Waste oil	1200 gal (est.)
Metals	60 tons (est.)
Tires	5 tons (est.)
Used clothing	3 tons (est.)
Compost	180 cubic yards

Stickers to gain access to the facility are available at both Richmond and Winchester Town Halls and at the Transfer Station. The cost is \$20.00 for the first household permit, and \$1.00 for other vehicles at the same residence. The stickers are valid from October through September 30 each year.

Thank you for your continued support.

Hours of operation are: Tuesday, 8:00AM – 4:00PM
Thursday, 8:00AM – 7:00PM
Saturday, 8:00AM – 5:00PM
Telephone: 239-8136

Respectfully submitted,

John E. Gomarlo
Landfill Superintendent

Planning Board
Town Report 2008

As all of us know 2008 was not a good year for building, real estate transactions or any type of land use changes. The planning board was still busy with consults, subdivisions and site plans. The board also used their time well with continuing education classes, updating and approving the Master Plan, CIP, updates to the ICC building codes, gravel pit inspections, and participating in the Local Access Management Program.

The board spent a tremendous amount of time on one application, Mr. VanDyke's condominium development on Keene Road. This application was a massive undertaking with the help of Steven's and Associates, department heads, DES, town council and other professionals. The board eventually granted a conditional approval, with 26 conditions, to Mr. VanDyke for his proposal. This is not a FINAL approval. All conditions must be met prior to final approval. Construction cannot begin until the planning board grants final approval.

The board granted three approvals for site plan for commercial enterprises. They are; Kevin's Auto on Keene Road, Dapkus Fire Works store on Keene Road and Café 136, a restaurant on Main Street.

The public's input is always welcome at our meetings. As a reminder the planning board meets the first and third Monday of each month. Check our notices for the agendas and possible date changes. We appreciate the resident's confidence in us and look forward to serving you next year.

Totals for 2008:

Subdivisions-	6 approvals, 1 commercial	1 withdrawn
Boundaryline Adjustments-	7 approvals

Zoning Board of Adjustment

2008 Annual Report

The Zoning Board of Adjustment (ZBA) rules on requests for variances, special exceptions, and equitable waivers from the zoning ordinances and decides appeals of administrative decisions. In addition it responds to questions from the public.

In 2008 the ZBA granted two requests for a variance and denied two other requests. The Board approved a non conforming lot (map 28, lot 10-2) on property owned by Edward, Elwin and William Truesdale. This lot is subject to the terms and conditions of the zoning ordinances. The board also permitted Dapkus Fireworks to store fireworks licensed for sale in New Hampshire on property owned by the Town of Winchester. The two denied requests were for a variance from the density requirement and a variance from the requirement for off street parking. Both of these were for property located at 94 Main Street.

There was one appeal of an administrative decision. The ZBA denied the appeal of an administrative decision by the Code Enforcement Officer halting the conversion of a building at 94 Main Street.

One Special Exception was granted for a drive thru window for a building proposed for property located at 4 Warwick Road. Kulick's Market appealed this decision. The ZBA denied the appeal and the case is now pending in Superior Court.

In 2008, the Supreme Court of New Hampshire upheld the ZBA's denial of the timeliness of an appeal by Cardinal Development of the Board's refusal to reconsider the denial of a Special Exception for earth excavation.

Annual Report of the Emergency Management Director

First of all, I would like to take this opportunity to thank Jim Ammann for his many years of service as Emergency Management Director for the Town of Winchester, New Hampshire...."Thank you Jim!"

Representatives of the Town's Department, local agencies and Boards, all received extensive training this past year to be better prepared for any type of emergency situation that might affect the Town. This was due in part to the semi-annual graded exercise conducted by FEMA in local testing of the operating procedures for emergencies surrounding the Vermont Yankee Plant. We are pleased to report, the Town was graded proficient in all areas of State emergency operations.

In December the State faced a weather related emergency as a result of an Ice Storm. There were many folks affected by this storm in our Town as well as our neighboring towns and throughout the State. Homes were without power, heat, telephones and water for up to as many as ten days in our area. The Town rallied together and worked 24/7 to be sure everyone affected by the storm had a place to go. Members of the town went door to door to check on folks. An emergency shelter was set up at the elementary school providing food, showers, and water to the affected folks.

In addition to my Assistant, Dick LaPoint, I would like to thank the many dedicated folks who helped out during this emergency situation and throughout the year. "Thank you", to the Selectmen, the Police Dept, the Highway Department, the Fire Department and the Ambulance Department for their time and effort. It is greatly appreciated.

The Vermont Yankee calendar for 2009 which is distributed annually contains a host of information. To assist us during emergency situations with your individual circumstances, there are forms included in the front and back of the calendar for individuals with special needs. Folks with special needs should complete the forms and return them to us by mail. There is also a form for a tone-related alert radio. The information provided to us will be kept on file in the Emergency Management office and will be helpful to all emergency response teams to better assist you during an emergency.

A brochure titled "Preparing for an Emergency" is also available to folks at the Town Hall and Emergency service building. Please stop by to pick one up. Unfortunately, no one knows when an emergency may occur. Always be prepared for the unexpected.

Respectfully submitted,

Herbert C. Stephens, Sr.

Winchester Emergency Management Director

Dear Town of Winchester,

The Winchester Learning Center is a nonprofit Child Care, Preschool and Family Resource Center for children ages 1-6 and their families. We are currently located in the lower level of the Universalist Heritage Center, formerly known as the United Church of Winchester's brick church.

A developmentally appropriate curriculum is provided Monday through Friday from 6:30am - 5:30pm in a year round program. Our preschooler's curriculum introduces them to pre-academics in a play based environment. Our infant toddler program offers a wonderful sensory experience for our earliest learners. Nutritious meals and snacks are served family style where children are encouraged to serve themselves. Our food program is supplemented by the USDA Child/ Adult Care, Food Program. This summer we were fortunate to have one of our supporters donate a share from Piccadilly Farms, a local community supported agriculture farm. We also have a small garden. This past year with the volunteer help of Pastor Denise Deline we were able to plant, tend and harvest some of our own vegetables.

Playgroups in collaboration with HCS are offered every other Saturday for families with children ages 2-8. Families gather to share valuable parenting information. Families also benefit from the many community speakers who come to offer support and knowledge with the challenges that face today's families. The group shares summer picnics as well as holiday celebrations. They have truly become a strong support group for each other.

In 2008, over 90 children benefited with the comprehensive care and education at The Winchester Learning Center. Over Ninety parents and guardians were able to work or attend college knowing their children were safe, learning and reaching for optimal development at The Winchester Learning Center.

The expansion of our license proved to be very successful and well received. The addition of one year olds has filled a much needed gap in our community. We look forward to a capital campaign to build a new facility and expand care once again to encompass infants.

The Winchester Learning Center also continues to offer employment to residents from town. Our staff enthusiastically attends workshops and trainings to keep updated to developments in Early Childhood Education.

Keeping all of these services available for all the children continues to be the mission of the WLC Board of Directors since the dream of a child care and preschool program began. Thank You, Town of Winchester, for your continued investment and support for the children of this community.

Respectfully Submitted,

Roberta L. Royce
Executive Director

Comfort, care and support
when home is where you want to be . . .

December 11, 2008

Bob Gray
Town Administrator
One Richmond Road
Winchester, NH 03470

Dear Mr. Gray:

Enclosed please find the Home Healthcare, Hospice and Community Services Annual Report to Winchester. Please let me know if you would like this report submitted electronically for the town annual report.

In 2009, we are requesting an appropriation of \$31,000.00 to continue home care services and \$5,888.00 for Meals-On-Wheels in Winchester, as submitted on our budget request forms in September. Services provided with this appropriation will include visiting nurses and rehabilitation therapists that help residents to recover at home, and support services that assist those with chronic illnesses to remain independent at home. In addition, Nurse Is In clinics, prenatal and well child care and hospice services are available to residents.

Home Healthcare, Hospice & Community Services continues to make every effort to seek funding for patient care from a variety of sources. The town's appropriation is critical to continuing services for patients who are low income and uninsured for home care.

Thank you for your consideration of our request. Please do not hesitate to contact me at 352-2253 if you have any questions about our services or this request.

Sincerely,

Susan Ashworth
Director of Community Relations

Home Healthcare, Hospice & Community Services
Report to the Town of
WINCHESTER
2008
Annual Report

In 2008, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Winchester. The following information represents HCS's activities in Winchester during the past twelve months.

Service Report

Services Offered	Services Provided
Nursing	2,115 Visits
Physical Therapy	382 Visits
Speech Pathology.....	17 Visits
Occupational Therapy.....	38 Visits
Medical Social Work	149 Visits
Home Health Aide	1,260 Visits
Chronic Care	7,478 Hours
Outreach.....	251 Visits
Health Promotion Clinics	51 Clinics
Age in Motion.....	104 sessions
Meals-On-Wheels.....	10,938 Meals
Child Health and Prenatal Care	266 Hours

Total Unduplicated Residents Served with Home Care Services: 303

Financial Report

The actual cost of all services provided in 2008 with all funding sources is \$1,114,332.00. These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 2009, we request an appropriation of \$31,000.00 to continue to be available for home care services, and an appropriation of \$5,888.00 for the Meals-On-Wheels program.

We invite Winchester residents to visit our website at www.HCSServices.org or call us at 352-2253 for more information about our services. Thank you for your support.

"Reading Road Trip U. S. A." was our summer reading program theme. The road trip included unusual buildings shaped as a duck; upside down; like a clam box and many more. 73 certificates were given for 56,478 pages read during this summer. We ended the summer with an animal program in the park.

Music was celebrated this year with two concerts. In August organists, Robin Dinda and Renea Waligora entertained us. Wine, cheese and a display of Cornelia Hinds Wheeler artwork was enjoyed afterwards.

We celebrated Christmas with a concert with Mark Polifrone, who surprised us also with bagpipes. Wassail and Christmas cookies followed. Boxing Day was observed this year by handing out boxes filled with candy, nuts and oranges to all children. Gifts given to the Children's room included chalk easels, large dinosaur, and Kapla Blocks.

We got a new face lift to our website (www.conantlibrary.org/conantnh/) which in addition to making it easier to maintain also includes a photo album. Now photos of events can be quickly put on our website. An even more important addition was access of our patrons to their account and to our book catalog.

Our museum upstairs now has a new volunteer curator, Diane Ghalib. She is busy writing grants and cataloging material in order to preserve Winchester history.

Respectfully Submitted,

Christy Menard

Ellen Lambert Murphy Memorial Community Center

Annual Report FY 2007-08

The E. L.M.M. Community Center would like to thank the citizens of Winchester and Ashuelot for your continuing support, raising and appropriating funds in the amount of \$50,000.00 to subsidize the cost of youth recreation.

The E.L.M.M. Community Center continued its traditional style day camp for 63 youth in grades Kindergarten to 4th. With a strong focus on cooperative play and teamwork, days were spent playing non-elimination games, strengthening our swimming skills, kayaking and canoeing on our own Forest Lake and learning to prepare healthy snacks for ourselves. Recognizing the need for quality programming for older adolescents, the E.L.M.M.C.C. expanded its summer camp to include 6th, 7th and 8th graders. During the summer of 2007, the ELMMCC launched its pilot program named the Adventure Crew Camp. Registrants, 14 boys and girls in grades 5 to 8, participated in an outdoor adventure program within the tri state region. While participating in adventure and experiences of kayaking, fishing, rafting, hiking and biking, they were introduced to the skills of wilderness survival and the environmental dangers that humans bring to wildlife outside our own door and beyond. A grant, awarded by the Cheshire County Commissioner's Office subsidizing the cost of transportation, allowed our campers to participate in several field trips that studied the natural wonders of the world. Trips included were the Amherst Planetarium, Mariposa Museum, Sugarloaf Mountain and it's neighboring Nourse Farms, Quabbin Reservoir and the Bridge of Flowers to name a few. So many pieces of our programming are reliant on community partnerships. Thank you to Steve and Mary Johnson, Jackie Rounds, Harborside Healthcare and Norma Repucci for your hospitality and wisdom. Many thanks to Winchester's own Global Truck Traders, Innovative Machine, Aubuchon's, Century 21, the Ladies Society of Winchester and many other private local donors whose contributions helped to fund these opportunities. These are relationships are ones we will continue to foster and grow.

Baseball and soccer continue to provide a source of physical activity to our youngsters. Led by 15 volunteer coaches and assistants, 86 Kindergarten to 5th grade players played intramural fall soccer program and 84 baseball youth participated in grades Kindergarten to 6th. Maintaining its emphasis on "fun without a fear of loosing", the coaches here in Winchester deserve a pat on the back! We are proud to share that Winchester received the "Good Sportsmanship" trophy from our peers within the Tri County league. Frank Linnenbringer, Keith Whippie, Reg McGivern, Ed Lake, Ira Schulman, Andy Gordon, Charlie Lawrence, Chad Favereau, Kevan Whippie, Ken Gardner, Rapheal Rivera and John Clement were the volunteer coaches and umpires who made our out of town players, coaches and spectators feel welcomed and appreciated while on our field. We are lucky to have such positive role models within our athletics program. Thank you to

Commander Nelson and Winchester's V.F.W. Post #3968 pavilion for the use of their pavilion for celebrating our players and their coaches. Thank you, to the Kiwanis Club of Winchester for their continued support, honoring our players with trophies and another wonderful end of baseball season barbeque.

During the weeklong school vacations the E.L.M.M.C.C. recruited volunteers to provide activities to Winchester's youth. Activities enjoyed were both leisurely and restful, while others were "mind bending" and "body breaking". In December, we visited the Basketball Hall of Fame, built water rockets (that actually worked!), experimented with science recipes that made goop, glop and guck. February Fun week, our highest attended with 48 registrants, we sponsored trips to Granite Gorge, the Nelson Whittington Ice skating arena, swimming and visited the Mariposa Museum; During April vacation, campers worked with N.H. Loon Preservation Committee member and staff biologist, John Cooley, building loon nesting rafts for the population enhancement of N.H.'s loons. Richard Drew, Cliff Struthers and Frank Linnenbringer delivered a fantastic land survey program that introduced the works of a compass and the GPS tracking system to 43 youth in grades K-8th. There is one thing for sure; our campers may come home tired and dirty but never will you hear them complain that they were bored!

"Hoops" Basketball and "Beach" Volleyball continued its pattern of growth during the summer of 2007. Open to youth, 9th grade and older, and adults, these programs are only a great source of physical activity but also an inspiring display of parents playing with their children. During this time of year, active Winchester adults, who lead by example, serve as excellent role models for healthy recreational choices at the E.L.M.M. Community Center. Thank you Jill Rokes, Brian Baker and all those parents who played with or cheered for their children!

In 2007, the E.L.M.M.C.C. Board of Trustees added a new soft tip dart league for youth in 6th to 8th grade. This activity provides (pre) teens a safe place to be social, stay connected with their peers and an alternative for those whose preferences do not include winter school sports. Youth in grades Kindergarten to 5th bowled in a 12-week Kid's Bowling League. The benefits of this activity include physical activity and social recreation, mixed with simple mathematics.

Thank you to Winchester's leaders, volunteers, clubs, donors, voters and taxpayers for making Winchester a home to be proud of.

With gratitude and thanks,

Danielle Borges, Director

This annual report has been condensed. To read the full version of the 2007-08 annual report please visit www.elmmcenter.net

Winchester Ambulance Department has provided emergency medical care since 1969. Our services are provided 24 hours a day, 7 days a week, and 365 days a year in order to serve the community of 4400+ citizens. We also treat hundreds of travelers who are visiting the area or just passing through. Our department is currently staffed by 15 volunteers that are Nationally Registered Emergency Medical Technicians (NREMT's). They give numerous hours as well as their knowledge and skills to save the lives of many. We have members that have been with the department for years and others who have just began their EMT careers. The department also provides Paramedic level care through the DiLuzio Ambulance Service and Keene Fire Department as a back-up service both located in Keene, NH. Paramedic level care is when advanced airway, advanced cardiac care, and advanced pain management are needed that are not able to be done at the EMT Basic or EMT Intermediate levels.

The 2008 year has proven to be a busy as well as exciting year for the Winchester Ambulance Department. The department responded to just over 500 calls for services. This year has shown through data collected by the State of New Hampshire a 12% increase in call volume statewide which the state predicts will increase again in the year to come. Some of Winchester's call volume increase was due to the December 2008 Ice Storm, which caused the State of Emergency to be declared, the town and the volunteers once again step up to the call of duty to assist the town's of Jaffrey and Rindge. We sent 4 people to Jaffrey on the first day requested and assisted in running with their ambulance. Following that we sent a full crew and 40A2 to the Rindge Fire Department for the next week and a half to assist in their clean-up efforts. Over the time spent in Rindge we responded to 20-30 calls for service ranging from simple well-being checks as power and phone services were not in service, to numerous carbon monoxide poisonings and a few motor vehicle accidents. I would like to thank the selectmen and all the volunteers that assisted during this time as we had to staff the town's primary ambulance during this challenging time and everyone really gave their all during this situation.

The Winchester Ambulance Department has also seen a change in leadership command. Ken Smith has been sworn in and assumed the position of Captain. Ken was a Lieutenant prior to this and also served many years with the Winchester Fire Department prior to becoming an EMT and joining the Winchester Ambulance Department. Over the past two years Ken has been working extremely hard to replace 40A2, which is the second line ambulance. 40A2 is a 1983 Ford E350 it is served the department well for the time it has been in service but, it is old and starting to cost in repairs. Ken has looked at many ambulances and has chosen to purchase a Chevy 4500 model, which will be purchased with the selectman's final approval without taxation monies. It will be paid for from funds received from ambulance billing. Ken also went to the Board of Selectman for the approval to purchase a new cardiac monitor/defibrillator. This also was purchased without taxation monies and came from the funds from the ambulance billing. In December, just prior to Christmas, the department received the new Philips MRX cardiac monitor/defibrillator and placed it in service on 40A1. This new monitor allows the department

to stay current with protocol trends, as well as, provide better care to our cardiac patients by allowing us the ability to obtain a 12-lead EKG.

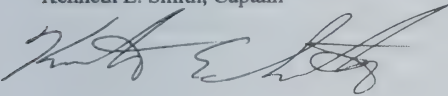

Over the past year members have gone through many training sessions to increase their knowledge as well as enhance and hone their skills. Some of these trainings would include: Emergency Vehicle Operations Course (EVOC), a Street Drug seminar, the DHART Helicopter ground safety course and, many other training classes. EVOC offers members to be able to perform more efficiently while operating the ambulance in emergency situations, as well as, reducing insurance rates for the town. The Street Drug seminar was presented by a member of the Nashua Fire Department and focused on signs of how to recognize and protect you if faced with walking into a hazardous situation (i.e. a meth lab). The DHART safety course was taught by Tom Perron a member of the DHART staff in Lebanon, NH. Class took about an hour immediately followed by the DHART helicopter landing in the town hall parking lot. Members learnt how to set-up the landing zones and how to stay safe while around the helicopter. Invites were sent to the surrounding towns to join us for the DHART training and we had members from the Winchester Fire and Chesterfield Fire Departments, as well as, eight members from the Northfield Fire Department in Northfield, MA. We look forward to having more trainings like this to include the area departments and, be able to take knowledge from everyone's experiences in the emergency services field.

In January 2009, two members will be starting training to obtain their EMT Basic certifications. In February 2009, three of our members will be advancing their skills and taking the EMT Intermediate class. We wish these five the best of luck and look forward to being able to use their skills to provide the citizens with better care over the years to come.

From myself, Ken Smith, Captain of the Winchester Ambulance Department and my entire staff, we look forward to the year 2009 as one of positive change and even better patient care. We welcome new members and provide all training at no cost to you. For more information, please stop by the town hall to fill out the application or contact the station at 603-239-6691.

Respectfully submitted,

Kenneth E. Smith, Captain

A handwritten signature in black ink, appearing to read 'Ken E. Smith', written over a horizontal line.

Ashuelot River Local Advisory Committee

Washington Lempster Marlow Gilsum Sullivan Surry Keene Swanzey
Winchester Hinsdale

2008 Annual Report

This year the Ashuelot River Local Advisory Committee (ARLAC), along with other NH Local Advisory Committees, was honored with the *President's Volunteer Award* in April, and the *Spirit of NH Volunteer Service Award* in the State and Local Government category in November for our efforts to advise the NH Department of Environmental Services (DES) and our communities on actions and issues to protect and manage the Ashuelot River. This year also commemorated the 20th Anniversary of the NH Rivers Management and Protection Program. The Ashuelot was designated as a protected river in 1993. ARLAC members, nominated by local municipal officials and appointed by the Commissioner of DES, have been educated in a broad array of issues associated with the River and its watershed. It is the hope of the committee to be a resource that works well between the interests and concerns of the citizens in the watershed and State authorities.

This year we performed site visits and submitted comments on 10 projects occurring in Washington, Keene, Swanzey, Winchester, and Hinsdale; 2 NH Department of Transportation projects; and actions on state land in Keene and Winchester. Letters of support were submitted for a NH Office of Energy and Planning grant to the town of Marlow for development of a Natural Resource Inventory, and in support of the final report of the DES Ashuelot Pond Drawdown Study. Comments were submitted to the Silvio Conte Comprehensive Conservation Plan. ARLAC continued to follow legislation and rulemaking, supporting changes to the Comprehensive Shoreland Protection Act, and HB 384 safeguarding surface waters by requiring more stringent reporting of failed septic systems on lakes and rivers. We also supported the passage of the comprehensive Alteration of Terrain rules established late this year. We continued participation as a member of the NH River Restoration Task Force and support the removal of the Homestead dam which has been delayed for another year. This year Keene adopted parts of the 2006 Ashuelot River Corridor Management Plan into its Open Space Ordinance.

The Ashuelot River water quality monitoring program in conjunction with the DES Volunteer River Assessment Program (VRAP) continued for its eighth season. Ten sites were sampled from Washington to Hinsdale. Analyses were done for temperature, pH, total phosphorus (TP), dissolved oxygen, turbidity, conductivity, and metals with the City of Keene donating lab services to analyze samples for cadmium, copper, lead and zinc. ARLAC members, working with community volunteers collected samples monthly from May through September. E. coli samples were obtained monthly in July, August and September. Additional sampling in Swanzey was funded by the Swanzey Conservation Commission to assess TP and E.coli in W. Swanzey. Data are available online at <http://academics.keene.edu/pegglest/AshuelotRiver.htm> <http://>

academics.keene.edu/pegglest/AshuelotRiver.htm or HYPERLINK "<http://des.nh.gov/organization/divisions/water/wmb/vrap/ashuelot/index.htm>" <http://des.nh.gov/organization/divisions/water/wmb/vrap/ashuelot/index.htm> .

In October ARLAC co-sponsored a cleanup of the River from upstream of Ashuelot River Park to the Thompson Covered Bridge in Swanzey as part of the Source to the Sea cleanup. A total of 204 volunteers removed 3,976 pounds of garbage plus 25 shopping carts from the River. Also this fall NH Protected River signs were purchased and posted in Marlow, Swanzey and Hinsdale.

ARLAC heard presentations on the results of The Nature's Conservancy's culvert study, which found most dams in the watershed and 20% of culverts are a severe barrier to the movement of species in the streams; Keene State College students' study of coal tar pollution in Mill Creek; and the Society for the Protection of NH Forests' plans for land conservation within the Ashuelot River watershed.

ARLAC invites interested parties to join us at our monthly meetings in Keene on the third Tuesday. Do contact your local ARLAC representatives or the Southwest Region Planning Commission for more information.

Respectfully submitted,
Barbara Skuly, Chairman

CHESHIRE COUNTY
Finance Department
33 West Street
Keene, NH 03431
603-355-3036

October 20, 2008

Town of Winchester
PO Box 25
Winchester, NH 03470

Dear Board of Selectmen:

You should have recently received your 2008 county tax bill. As we have done in the past, we are providing information specific to your municipality to explain how the County taxes are allocated.

The formula for Winchester's portion of county taxes is based on the town's percentage of equalized valuations including utilities to the overall total equalized valuations for all Cheshire County municipalities. For example, using the data from the information below, Winchester's equalized valuations for 2008, of \$301,727,312.00 is 3.9948% of the total equalized valuations in Cheshire County of \$7,552,922,413. That percentage is then applied against the total dollar amount of taxes to be raised.

The process described above is used by the Department of Revenue Administration in order to calculate the county tax allocation. The tax amounts are calculated and certified by the DRA only after they have received all equalized valuations from the Towns in Cheshire County and the City of Keene and the total amount of taxes to be raised from Cheshire County each year. It is from the DRA's certified Tax Apportionment that the County produces the bills.

Cheshire County Tax Allocation for the Town of Winchester 2006-2008:

	<u>2008</u>	<u>2007</u>	<u>2006</u>
Total Cheshire County Equal Valuations	\$7,552,922,413	\$7,635,510,580	\$6,984,529,867
Winchester's Equalized Valuation including Utilities & Railroads*	\$301,727,312	\$290,958,318	\$270,808,904
Winchester's % Proportion to County Tax	3.9948%	3.8106%	3.8773%
Total Cheshire County Taxes	\$19,654,594	\$14,591,325	\$13,276,742
Winchester's Apportionment of County Budget	\$785,170	\$556,016	\$514,775

*DRA uses prior year Equalized Valuations to allocate current year County Taxes.

If you have additional questions or need further information, please do not hesitate to contact me at 355-3036.

Sincerely,

Sheryl A. Trombly, Finance Director

TOWN MEETING WARRANT
SB2
TOWN OF WINCHESTER
STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Winchester, in the County of Cheshire in said state, qualified to vote in Town affairs:

You are hereby notified to meet in the Town Hall in said Winchester on Saturday the 2nd of February next 2008 at nine o'clock in the forenoon to discuss, debate and amend warrant articles # 1 through # 50 and to receive the reports of the selectmen, town treasurer and other town officers including the agents and committees and act thereon. Final vote will be by the official ballot on Tuesday, March 11, 2008.

You are hereby notified to meet in the Town Hall in said Winchester on Tuesday, the 11th of March next 2008 at eight o'clock in the forenoon to act upon the following subjects. The Polls not to close an hour earlier than seven of the clock in the afternoon.

ARTICLE 1. To choose all necessary Town Officers for the ensuing year.

ARTICLE 2. To see if the Town will vote to raise and appropriate the sum of two million one hundred thousand dollars (\$2,100,000) for the purpose of preparing plans and specifications, and for the reconstruction of the Wastewater Treatment Plant, that will qualify the town for federal and state funds, such sum to be raised by the issuance of serial bonds and notes, under and in compliance with the provisions of the Municipal Finance Act (NHRSA 33:1 *et seq* as amended) and to authorize the Board of Selectmen to issue and negotiate such bonds or notes, to determine the rate of interest thereon, and to take such actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Winchester; and further to authorize the Board of Selectmen to apply for, accept and expend grants, donations, and gifts, and to participate in the State Revolving Fund, established pursuant to RSA 486:14.

To be enacted this article requires a 3/5 vote.

YES: 327 NO: 316

ARTICLE 3. To see if the Town will vote to raise and appropriate as an operating budget, not including appropriations by special warrant article and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$3,665,537? Should this article be defeated, the default budget shall be \$3,569,865, which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of revising the operating budget only.

ARTICLE 3. *continued*

YES: 311 NO: 379

ARTICLE 4. To see if the town will vote to raise and appropriate the sum of \$1 to continue reconstruction and repaving of Old Westport Road?

YES: 460 NO: 230

ARTICLE 5. To see if the Town will vote to raise and appropriate \$30,000 for the Town's share of State road grant reconstruction costs for bridges and place it in the non-lapsing Capital Reserve Fund established at the March 2006 Town Meeting under Article 19 for that purpose?

YES: 501 NO: 191

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of \$28,677 to be placed in the Capital Reserve Fund established under Article 16 at the 2006 Town meeting for the purpose of performing the assessing update or revaluation of the real estate in the Town of Winchester scheduled for 2009 – 2010?

YES: 393 NO: 298

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of \$25,000 to purchase 5 new Scott Air Packs for the Fire Department.

YES: 442 NO: 259

ARTICLE 8. To see if the Town will vote to raise and appropriate \$24,800 as the third of five lease-to-purchase payments for the 2007 International dump truck, plow and sander package?

YES: 487 NO: 284

ARTICLE 9. To see if the Town will vote to raise and appropriate an amount not to exceed \$18,000 to be deposited in the Evergreen Expendable General Care Trust Fund established by an affirmative vote by the 1998 Town meeting as article 11; the source of funds to be withdrawn from the surplus generated by the perpetual care funds already established for the care and maintenance of lots within the Evergreen Cemetery, and not from taxation.

YES: 503 NO: 188

ARTICLE 10. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of paying for Legal Services over and above the budgeted line for legal services if needed; to raise and appropriate the sum of fifteen thousand dollars (\$15,000) to be placed in this fund and name the Board of Selectmen to be agents to expend said funds.

YES: 240 NO: 446

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$1 to be placed in the Police Cruiser Capital Reserve Fund established in 2006 at the Town Meeting under Article 14, and name the Board of Selectmen as agents to expend the funds.

YES: 400 NO: 283

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$6000 to support the annual Pickle Festival?

YES: 370 NO: 329

ARTICLE 13. To see if the municipality will vote to raise and appropriate the sum of \$5000 to be placed in the Fire Department Capital Reserve fund, for purpose of purchasing new fire apparatus, as established under Article 21 at the 2005 Annual Meeting.

YES: 434 NO: 273

ARTICLE 14. To see if the Town will raise and appropriate the sum of fifty thousand dollars (\$50,000) for the purpose of subsidizing youth recreation in the Town of Winchester to be paid to the E.L.M. Memorial Community Center on a contractual basis?

Inserted by petition

YES: 369 NO: 337

ARTICLE 15. Are you in favor of raising and appropriating the sum of six thousand dollars (\$6000.00) for the support of the Winchester Learning Center, provided that the Winchester Learning Center raises an equal or greater amount from other sources?

Inserted by petition

YES: 273 NO: 438

ARTICLE 16. To see if the Town will vote to authorize the Board of Selectmen to establish and implement a mandatory "pay by bag" program and further to adopt the provisions of RSA 31:95-c for the purpose of accounting for the sale of solid waste bags and tags or other receipts as budgeted annually, to be used to pay the cost of collection and disposal of residential solid waste and such other direct and indirect costs as budgeted annually. Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Pay by Bag fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of revenue.

ARTICLE 16. *cont.*

YES: 156 NO: 347

ARTICLE 17.

To see if the Town will vote to in accordance with provisions of RSA 31:95-h, I, (b) to receive and restrict 80% of the revenues, not to exceed a cap of \$250,000, from payments for the ambulance service to expenditures for the same purpose of paying billing from outside services to include purchasing of equipment like ambulance, defibrillators or other related medical items necessary for the performance of the ambulance department from the surplus after outside services are paid, as approved by the Board of Selectmen? The money in the fund shall be allowed to accumulate from year to year and shall not be considered part of the Town's general surplus.

YES: 455 NO: 235

ARTICLE 18.

To see if the Town will vote to adopt the noise ordinance pursuant to RSA 31:39 I (n) that better defines the noise levels, times of day and equipment which is deemed to be unlawful?

YES: 420 NO: 277

ARTICLE 19.

To see if the Town will vote to authorize the Board of Selectmen to convey to William Maxwell a permanent Right-Of-Way over the property of the Town of Winchester known as Map 6 Lot 11 for driveway and utilities access to Map 22 Lot 7, upon such terms and conditions as may be in the best interest of the Town of Winchester? This conveyance has the prior approval of the Winchester Conservation Commission.

YES: 459 NO: 205

ARTICLE 20.

To see if the Town will vote pursuant to RSA 80:52-c to authorize the Town Clerk/Tax Collector to accept payment of local taxes, utility charges (water and sewer), and other fees such as vehicle registrations, by use of a major credit card. And, in order to compensate the Town for the service fees associated with accepting credit card payments, to assess a service fee to offset the cost to the town.

YES: 550 NO: 150

ARTICLE 21.

To see if the Town will vote to adopt the provisions of RSA 79-E and to accept for consideration requests for community revitalization tax relief incentives in accordance with this statute?

YES: 438 NO: 210

ARTICLE 22.

To see if the Town will adopt the provisions of RSA 466:30 which make it unlawful for any dog to run at large, except when accompanied by the owner or custodian, and when used for hunting, herding, supervised competition and exhibition or training for such?

ARTICLE 22. *cont.*

YES: 499 NO: 184

ARTICLE 23. To see if the Town will vote to authorize the Board of Selectmen and the Winchester Conservation Commission to purchase Rice's Texaco Station, Map 28 Lot 20, using money from the Conservation fund. This purchase does not impact taxation.

YES: 280 NO: 403

ARTICLE 24. To see if the Town will vote to require that all votes by the Town's Budget Committee and Board of Selectmen relative to budget items or warrant articles be recorded votes and the numerical tally of any such vote to be printed in the Town Warrant next to the affected warrant article, as follows: "Budget Committee recommends this article by a vote of 9 – 2".

YES: 549 NO: 110

ARTICLE 25. To see if the Town will vote to adopt the provisions of RSA 72:62, relative to solar energy systems, as defined in RSA 72:61; RSA 72:66 relative to wind-powered energy systems as defined in RSA 72:65; and RSA 72:70 relative to wood-heating energy systems, as defined in RSA 72:69, such that these energy systems will be exempt from the assessed value, for property tax purposes, for persons owning real property which is equipped with such systems.

YES: 451 NO: 203

ARTICLE 26. Do you favor the continuation of the town manager plan as now in force in this Town?

Inserted by petition

YES: 279 NO: 393

ARTICLE 27. To see if the town will vote to continue to operate under an appointed road agent?

Inserted by petition

YES: 380 NO: 283

ARTICLE 28. To see if the Town of Winchester will vote to accept the road known as Ashton Rue in the subdivision known as Woodward Heights Subdivision.

Inserted by petition

YES: 311 NO: 318

ARTICLE 29. For wartime veterans tax credit: Shall we adopt the provisions of RSA 72:28, II for an optional veterans tax credit of \$300.00 on residential property and replace the standard tax credit in its entirety?

ARTICLE 29. *cont.*

Inserted by petition

YES: 537 NO: 139

ARTICLE 30.

For the surviving spouses of those persons killed on active duty: Shall we adopt the provisions of RSA 72:29-a, II, for an optional tax credit of \$1000 on the real and personal property of the surviving spouse of any person who was killed or died while on active duty in the Armed Forces of the United States or any of the Armed forces of any of the governments associated with the United States in the wars, conflicts or armed conflicts, or combat zones set forth in RSA 72:28?

Inserted by petition

YES: 547 NO: 130

ARTICLE 31.

For the permanently and totally disabled veterans: Shall we adopt the provisions of RSA 72:35,1-a for an optional veterans tax credit of \$1000 for service-connected total disability on residential property and replace the standard tax credit in its entirety?

Inserted by petition

YES: 539 NO: 139

ARTICLE 32.

"We the undersigned registered voters, are in favor of the Town of Winchester, New Hampshire adopting a PROPERTY TAX CAP similar to the City of Laconia's PROPERTY TAX CAP.

Under such a PROPERTY TAX CAP the Town of Winchester, in establishing a combined town budget, shall be allowed to assume an estimated property tax rate only in the amount not to exceed the tax rate established during the prior fiscal year increased by a factor equal to the change in the National Consumer Price Index.

(This article is void, illegal and unenforceable.)

Inserted by petition

YES: 270 NO: 298

ARTICLE 33.

Shall the Town permit the public library to retain all money it receives from its income-generating equipment to be used for general repairs and upgrading and for the purchase of books, supplies and income-generating equipment?

Inserted by petition

YES: 615 NO: 67

ARTICLE 34. Shall the town follow the existing town purchasing policy of \$10,000 or more?

Inserted by petition

YES: 424 NO: 209

ARTICLE 35. Shall the Town, in accordance with RSA 79-A:25, deposit in the conservation fund 77% of the revenues collected in Land Use Change taxes, and deposit the balance of all such revenues in the general fund for the purpose of reducing taxation?

Inserted by petition

YES: 427 NO: 219

ARTICLE 36. Are you in favor of not allowing the Board of Selectmen or any member of the Conservation Commission, to enter into any lease agreement of town owned conservation land in the Town of Winchester, NH?
(This article is void, illegal and unenforceable.)

Inserted by petition

YES: 262 NO: 305

ARTICLE 37. To see if the Town will vote to approve the following resolution to be forwarded to our State Representatives, our State Senator, and our Governor: Resolved: We, the citizens of Winchester, NH believe in a NH that if fair and just. The property tax has become unjust and unfair. State leaders who take a pledge for no new taxes perpetuate higher and higher property taxes. We call for our State Representatives, or State Senator and our Governor to reject the "Pledge" not to propose or support any state income or sales tax, and to have an open discussion covering all options and adopt a revenue system that lowers property taxes.

Inserted by petition

YES: 471 NO: 192

ARTICLE 38. Are you in favor of Amendment to Article VI, as proposed for the town zoning ordinance as follows: Rural Residential District, increase lot size minimum from one acre to two acre.

YES: 314 NO: 353

ARTICLE 39. Are you in favor of Amend Article XVIII, as proposed for the town zoning ordinance follows: Penalty. Violations of any of these provisions (zoning ordinance) may be fined up to \$250 per day. (In accordance with State Statutes).

ARTICLE 39. *cont.*

YES: 313 NO: 331

ARTICLE 40.

Are you in favor of Amendment as proposed for the town zoning ordinance: To Amend the Town of Winchester Zoning Map to expand the Forest Lake Overlay District to include the area to Rt.10 as the NW boundary of the overlay. Refer to map.

YES: 397 NO: 239

ARTICLE 41.

Are you in favor of Amendment as proposed for the town zoning ordinance: To Amend Article III, L1 to change the phrase of "one unregistered" motor vehicle to one unregistered/uninspected" motor vehicle.

YES: 382 NO: 279

ARTICLE 42.

Are you in favor of Amendment as proposed for the town zoning ordinance: To Amend Article XXII, Table of permitted uses". C4, Recreational uses. Add as 4a; commercial racetracks will be permitted only in the Highway Commercial District (HC) by special exception. Commercial racetracks will not be permitted in any other district.

YES: 451 NO: 208

ANNUAL REPORT

This years Annual Report is dedicated to retiring Principal
David Funkhouser

**"A teacher affects eternity; he can never tell
where his influence stops." ~ Henry Adams**

NOTICE OF NON DISCRIMINATION

The School Districts of School Administrative Unit No. 38 (Hinsdale School District, Monadnock Regional School District, and the Winchester School District) do not discriminate in their educational programs, activities or employment practices on the basis of race, color, national origin, age, sex, sexual orientation, religion, pregnancy, marital status, physical or mental disability, or any other protected characteristic under state or federal law, under the provisions of Title VII of the Civil Rights Act of 1964, as amended; Title VI and Title IV of the Civil Rights Act of 1964; the Age Discrimination in Employment Act of 1976; the Equal Pay Act of 1963; the Civil Rights Act of 1866; the Rehabilitation Act of 1973, including Section 504; the Older Workers' Benefit Protection Act; the New Hampshire Law Against Discrimination, RSA 354-A; Title IX of the Education Amendments of 1972; the Education of All Handicapped Children Act of 1975; the Individuals with Disabilities in Education Act of 1990; the Americans with Disabilities Act of 1990; and any other federal or state human rights laws. Any persons having inquiries concerning School Administrative Unit No. 38's policies of compliance with the regulations implementing these laws may contact:

SAU No. 38, 600 Old Homestead Highway, Swanzey Center, NH 03446
(603) 352-6955 FAX (603) 358-6708

The School Districts of School Administrative Unit No. 38 will provide a drug-free workplace in accordance with the Drug-Free Workplace Act of 1988 and its implementing regulations.

Revised: January, 2005

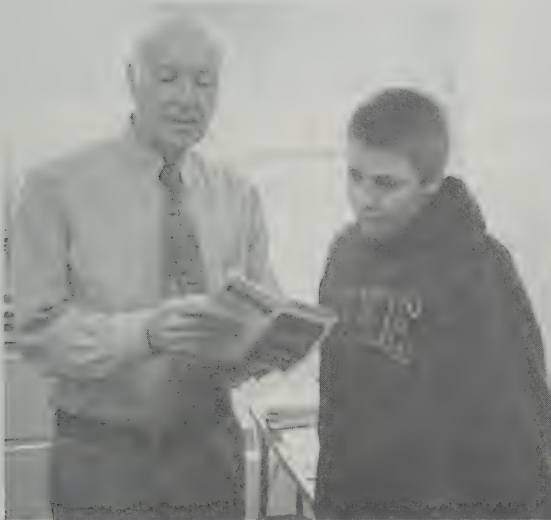

DEDICATION

We dedicate this year's Annual Report to Principal David Funkhouser. Mr. Funkhouser has announced his plans to retire at the end of this school year, having served our community's children for the past eleven years. Students and staff know him as a gentle spirit who treats all with respect and dignity.

His accomplishments during his tenure here are many, including all-day kindergarten, the addition of Spanish and computer education to the curriculum, and updating the school's math and literacy programs to be aligned with state standards. Under his leadership, Winchester's state test scores have steadily increased, family and community involvement has grown, and the Winchester School has become a professional development site for Keene State College.

Mr. Funkhouser has been a constant source of support for our older students as they prepare for Keene High School. This is evident by the number of high school students who regularly come back to visit! We owe Principal David Funkhouser a debt of gratitude, and we wish him all the best.

**STATE OF NEW HAMPSHIRE
WINCHESTER SCHOOL DISTRICT WARRANT FOR 2009-2010**

To the inhabitants of the Town of Winchester in the County of Cheshire and the State of New Hampshire, qualified to vote in school affairs:

You are hereby notified to meet at the Winchester Gymnasium at 7:00 PM on Thursday, February 5th, 2009, to consider the following articles in deliberative session, pursuant to RSA 40:13. The official voting of the business of the School District as determined at the deliberative session and the election of School District Officers will be held at the Winchester Town Hall on Tuesday, March 10th, 2009 with the polls open between the hours of 8:00 A.M. and 7:00 P.M.

ARTICLE ONE: Shall the Winchester School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **{ \$10,288,109 }**? Should this article be defeated, the default budget shall be \$10,475,158, which is the same as last year, with certain adjustments required by previous action of the Winchester School District or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI to take up the issue of a revised operating budget only. [NOTE: This operating budget warrant article does not include appropriations contained in ANY other warrant articles.]

ARTICLE TWO: Shall the voters of the Winchester School District adopt a School Administrative Unit budget of \$1,816,479 for the forthcoming fiscal year in which **\$258,279** is assigned to the school budget of this School District? This year's adjusted budget of \$1,776,609, with \$252,610 assigned to the school budget of this School District, will be adopted if the article does not receive a majority vote of all the school district voters voting in this School Administrative Unit. The operating budget for the SAU includes operating expenses for four school districts.

ARTICLE THREE: To see if the Winchester School District will vote to raise and appropriate "up to" **\$150,000** to be placed in the Special Education Expendable Trust Fund, with such amount to be funded from the June 30 unreserved fund balance available for transfer on July 1? [NOTE: This article will not require any additional funds to be raised through general taxation.] The school board and budget committee recommend this appropriation.

ARTICLE FOUR: Shall the Winchester School District receive the reports of its agents, auditors, committees and officers?

ARTICLE FIVE: Are you in favor of **{exploring the}** re-opening **{of}** Thayer High School~~{?}~~ ~~{starting in the 2009-2010 School year beginning with the freshman class and progressing one class per year until the Keene School District contract has expired? This will only take effect if the Keene School district is in agreement. (The current contract requires grades 9 thru 12.)}~~ [By Petition]

ARTICLE SIX: Shall the Winchester School District vote to transact any other business as may lawfully come before the meeting?

STATE OF NEW HAMPSHIRE
WINCHESTER SCHOOL DISTRICT WARRANT FOR 2009-2010

To the inhabitants of the Town of Winchester in the County of Cheshire and the State of New Hampshire, qualified to vote in school affairs:

You are hereby notified to meet at the Winchester Gymnasium at 7:00 PM on **Thursday, February 5th, 2009**, to consider the following articles in deliberative session, pursuant to RSA 40:13. The official voting of the business of the School District as determined at the deliberative session and the election of School District Officers will be held at the Winchester Town Hall on Tuesday, March 10th, 2008 with the polls open between the hours of 8:00 A.M. and 7:00 P.M.

ARTICLE ONE: Shall the Winchester School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling **\$10,048,107**? Should this article be defeated, the default budget shall be \$10,475,158, which is the same as last year, with certain adjustments required by previous action of the Winchester School District or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI to take up the issue of a revised operating budget only. [NOTE: This operating budget warrant article does not include appropriations contained in ANY other warrant articles.]

ARTICLE TWO: Shall the voters of the Winchester School District adopt a School Administrative Unit budget of \$1,816,479 for the forthcoming fiscal year in which **\$258,279** is assigned to the school budget of this School District? This year's adjusted budget of \$1,776,609, with \$252,610 assigned to the school budget of this School District, will be adopted if the article does not receive a majority vote of all the school district voters voting in this School Administrative Unit. The operating budget for the SAU includes operating expenses for four school districts.

ARTICLE THREE: To see if the Winchester School District will vote to raise and appropriate "up to" **\$150,000** to be placed in the Special Education Expendable Trust Fund, with such amount to be funded from the June 30 unreserved fund balance available for transfer on July 1? [NOTE: This article will not require any additional funds to be raised through general taxation.] The school board and budget committee recommend this appropriation.

ARTICLE FOUR: Shall the Winchester School District receive the reports of its agents, auditors, committees and officers?

Report of the Winchester School Board 2008-2009

To The Citizens of Winchester:

The Winchester School Board has been working diligently to support our school and students education while keeping fiscal responsibility in the forefront. The Winchester School District has had some challenges this year in the area of Special Education. Currently approximately 25 percent of our students have a special need and services range from supportive services within the school to out of district placements. The Board regularly discusses students needs and hopes to explore options that may bring some students back to our school community and could provide savings to the Winchester School District.

The Board is looking at how our High School students attending Keene High School can be better prepared for the transition and how to get better results in the way of student behavior and grades, The Winchester Asst. Superintendent meets regularly with the Co--Superintendent for Keene to ensure the success of our students. The WSB receives a comprehensive annual report from Keene High regarding Winchester students. The Board has taken suggestions and recommendations from the report such as an additional late bus to assist our students in the KHS community. Keene Administrators have also welcomed Winchester faculty to participate in curriculum work which will assist in the transition. The Board supports these efforts and will continue to work to ensure the success of Winchester's high school students.

Our school facility is in excellent condition and is well maintained by our maintenance staff. This year the Board supported the installment of shades through out the facility for safety purposes. The WSB continues to keep the safety of students in the forefront and considers budgetary requests from the Administration that may be needed or highly recommended to ensure student/staff safety.

The WSB continues to review Winchester School District policy monthly and implements new policies as mandated by RSA or recommended or by the N.H. School Boards Association. These policies guide the daily operations of our school district.

State testing data is reviewed by the Winchester Board and consideration is given at budget requests for additional support. This year a reading program was added called Fast-Forward . The Board has heard from the Administration that this program is working wonderfully with the students who are involved and that the students are enthusiastically working with the program. The WSB hopes that programs such as this will assist students, with reading/comprehension which hopefully will transfer to higher academic achievement and well rounded students.

The Board appreciates all the efforts of our Administration, faculty, paraprofessionals, support staff, custodial staff, volunteers and parents who work daily to provide Winchester youth the foundations they need to ensure a successful future.

At the end of this school year the Winchester School District will say farewell to our Principal Mr. David Funkhouser. Mr. Funkhouser has been with our District for 11 years and has provided our school and faculty with some excellent curriculum guidance. He has been a wonderful leader and will be missed. We wish him well in his future endeavors.

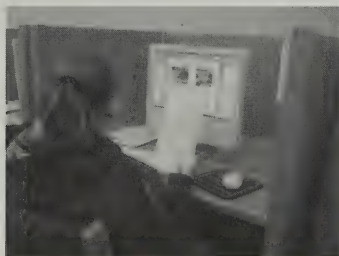

The Winchester School Board continues to meet the first and third Thursday of every month at 6:30 in the Winchester School library. The Board encourages the public to attend to hear more about our school district and the successes and challenges that our school community faces.

The Board also encourages the use of our web site which contains information about our schools as well as links to other helpful resources.

The web address is www.wnhsd.org

Respectfully submitted, _____

Colleen Duquette, Chair

Report of the Assistant Superintendent of Schools 2008-2009

Now in my second year as the Winchester Assistant Superintendent of Schools I would like to commend the Winchester community for their continued support of Winchester Schools. The goal of the administration and school committee has been to work hand in hand to help identify those areas needing improvement, create positive relations with the Keene Schools and administration and to have staff as active participants in the development of quality instructional programming. The current staff development program and implementation of new instructional materials have coincided with the information and feedback received from students NECAP (New England Comprehensive Assessment Program) results.

Based on our discussion with the school board, administration, and staff, one of the most important instructional initiatives is to utilize the existing NECAP results to evaluate current programming. This process will act as a springboard to initiate areas of instructional upgrading and change. It is important to align the current curriculum structure with the state standards in each content area. This process will encourage stronger academic standards and increase student instructional rigor. Some of these activities will reflect major changes in the current organizational structure, staffing expectations and realignment, and new programs to better meet student needs. This report is a blueprint of the process now underway.

The goals listed below are a reflection of discussion with the school committee, administration, members of the Winchester teaching staff and with the help of outside consultants. One of the major tasks identified to improve the school is the "Root Analysis Process". This state supported program was an opportunity for the Winchester School staff to reflect on current instructional practices and to identify areas that could impede the learning/teaching process.

The Winchester School Improvement Plan and Educational Philosophy

Goal #1 –

As a result of the Root Case Analysis process, Winchester School will be adopting a model for developing professional learning teams with a set of structures and practices for improving instruction. The model we will use is that promoted by Mike Schmoker, the author of Results Now, a book and a series of video presentations on structuring school growth around three areas:

1. Setting clear and concise goals

2. Formulating and clarifying instructional strategies to address the goals
3. Gathering data, interpreting it and responding to it

This initiative is in response to the findings that were analyzed. We found that teaming, as it presently exists, does not effectively highlight needs or respond to them in an assertive way. We also identified the special needs and other remedial practices presently in place as not making a significant difference in student performance. A third root cause area was the gathering of data and the effective interpretation and response to it. A final cause is the quality of instruction in general. Our use of the new basal program appears to be inconsistent from teacher to teacher and from grade to grade. Results varied due to these discrepancies.

We have already begun addressing these root causes. A series of four meetings have been set for a book study using the Results Now book. These began in January 2008 and will continue into the first week of March. All teachers received a copy of the book at a general staff meeting. Objectives for reading the book and for the accompanying discussions were set so that the reluctance some of the staff might exhibit would be assuaged and openness (as encouraged by the frankness of the book) would ensue.

Action Steps

1. The teaming practices will continue every Thursday until the end of the present school year. As a designated professional education site for Keene State College, we have received the services of Professor Deborah Black, a teacher in their department of education. She will participate in biweekly meetings for each grade level team on those days. Dr. Black will also see that there is a formal, professional quality to the sessions and that the three criteria (above) are the focus from week to week. The grade level teams will consist of classroom teachers, special education teachers, Title I support, and other adjuncts as appropriate. There is a high expectation for accountability on the part of all with notes being taken and data being the focus. Administrative presence is also required.
2. The weekly goals that are set with their accompanying assessments will be for all students unless they are participating in the alternative assessment. This will assure that the criteria for meeting the proficient levels will be addressed by all students throughout the school year giving all the opportunity to succeed.

3. A Title I staff member will be the keeper of the data. It will be submitted as the weekly basal assessments are given. A program provided by the basal series will be used to process student data. This data will be available weekly and will take on significant meaning when compared to the state frameworks (which the basal technology does). We expect this information to drive our weekly meetings and to be available to our families and community. Our Monitoring Team will meet monthly to 1) see that data is being gathered and is flowing as expected, 2) identify patterns of growth, and 3) to call for additional assessments as needed. In addition, monthly summaries of these three areas will be made available to families and community.
4. Team level meetings will be responsible to plan weekly activities to be done at home which will bolster the efforts of the team in getting children to the point where they will be passing the weekly reading goals. These goals and accompanying home activities will be submitted to families through the internet as well as by traditional paper newsletters. Our Community Partnership Facilitator will be responsible to see that this occurs weekly. Monthly summaries of activities and data results will also be submitted to the Winchester School Board. Opportunities for family feedback on the activities provided and for additional parent suggestions will be built into the correspondence.

Goal #2 - Revising the method of delivering instruction to regular educational students

Rationale: The rationale is complex and will need to start with not only the way staff teaches, but the understanding and feedback of test data and current methodology and what is not working. Again the data is indicating that we do not have a 50 to 70% level of student scoring in the proficient or distinction category. We are closer to 50 to 60% category. The problem is two fold, but most importantly it now needs to be addressed and greater teacher accountability put in place. One issue is the staff's understanding of the NECAP and the second is accountability of instruction and that they are the solution if student instruction is to improve. This includes restructuring the current methodology for teaching, introduction of new ways of differentiating instruction and willing to establish learning communities that could flex based on student needs and learning progress.

Action Steps –

- Review of the current school day which will need be to based on longer blocks of time for language arts and math instruction. We will need to investigate alternative scheduling in order to maximize instruction time at the elementary and the current specialist schedule
- Greater analysis of Every day Math data from the NECAP testing and information from staff to increase better student progress in
- Greater communications between the support and sped staff in the manner we deliver instruction to those disadvantaged and sped students
- Review of current test questions and a deeper understanding the NECAP test philosophy. The staff will need to review all itemized test questions and determine if these are skills that are presently being taught or will need to be taught. The staff will need to become familiar with the test questions and introduce them as part of their assessment scheme and not just as practice prior to the test
- The staff will need to determine if all the standards on the test are matched with our instruction materials
- Parent involvement for early learning with an emphasis on literacy in the home to complement what is happening in the schools should be a priority. A volunteer effort is needed for parents with children at K-2 grade levels.

Goal #3 - Revising the method of delivering special education services to our students and revisiting our current out of district private and public special education programming

Rationale: Based on our current data we are not successful with our current method of delivering inclusion services to our special education students. When reviewing the NECAP data nearly 80 to 90% of our students fall into the substantially or partial proficient category with the majority in the substantially below. Currently, we utilize a resource model for instruction with additional support coming from a number of paraprofessionals. The model is not working for the following reasons:

- The need to set higher expectations that even those students who demonstrate some learning disabilities could do well on the test.
- The movement toward an instruction model with students receiving the bulk of instruction in reading and math with the special educator jointly teaching with the classroom teacher in the classroom setting.
- Greater acceptance of the professional staff that these students are part of their classroom

- The continue need to develop “in house” Winchester special education programming on the K-8 level, but to work with the Keene administration to return students to Keene HS special education programming. The goal is to bring stronger in house special education programming back to Keene.

Goal # 4 - Organizational and the need for additional management staff to assess program progress, staff rigor and implementation of new programs to raise the current instructional levels

Rationale - A growing concern is the need for greater administrative structure to monitor teacher progress, special education services and curriculum development and program implementation. Some of these needs were addressed in our recent budget with the inclusion of a team chair. The need for a curriculum coordinator role and subsequently greater teacher involvement are equally important. We need to expand the current structure as to provide greater assistance to the principals at both levels but with the goal that we are viewing the curriculum on a K-8 basis and not as isolated development at each level. Again the administration needs to explore the following organizational changes and curriculum development structure in order to facilitate the significant changes that need to occur if we are to move forward instructionally as a district. Furthermore, we will need to work closely with Keene High School to better understand the academic and social expectations as students transition from Winchester to Keene High School.

Plan of Action:

- The need to develop a school K-8 curriculum in order to assist in the following:
 1. monitoring of content instruction in classrooms
 2. implementation of related professional development activities
 3. review and analysis of NECAP or other student assessment information
 4. review of curriculum materials and it relationship to the standards incorporated into the NECAP testing
 5. review of the current test items and student understanding of the NECAP questions
 6. implementation of teaching strategies and pedagogy that will assist in the improvement and quality of the teaching/learning cycle
 7. the monitoring of our DINI (District in Need of Improvement) plan

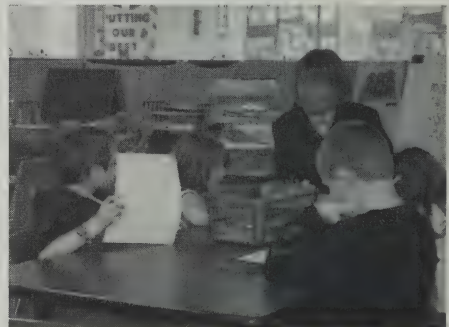

8. coordination of district grants that facilitate staff development, school improvement activities and enhance direct instructional services to students
- the continued support for the Fast Forward reading program and a the lab to accommodate students who are struggling readers
 - exploration of other instructional strategies that would maximize student instruction with the school day, after school and the development of a summer program to assist students who are not meeting their potential as learners

Closing Statement

The Winchester Schools are immersed in an improvement plan to provide greater instruction options and stronger programming for students. In addition, a large portion of the students attending Keene High School and data provided by them as to student progress, level of program participation and demographic information on student discipline, attendance and involvement in extra curricula activities acts as an important barometer for the Winchester staff. This information besides the "Root Analysis Process", the Winchester School Improvement Plan and the Keene High School Data Report are major documents that are driving the staff to aggressively move forward to meet the needs of Winchester Students at the Winchester School and Keene High School. We cannot as professional educators move forward without the communities' understanding of the Winchester's School philosophy. The Winchester School will need your continued financial support to meet current state changes to regular education initiatives, to continue to build higher standards and for schools to be in compliance with current special education laws and programming for all of our learners.

Respectfully submitted,

David A. Crisafulli,
Dr. C.
Assistant Superintendent

WINCHESTER SCHOOL

PRINCIPAL'S ANNUAL REPORT

2008-2009

The Winchester School community continues to work toward meeting our goals. At present, we have identified the following as our school goals:

- To support school excellence and accountability by continuously examining learner outcomes, curriculum, and programs designed to meet each student's educational needs.
- To promote programs, policies, and procedures designed to cultivate a safe, positive pre-K through grade 8 school climate (physically and emotionally)
- To increase involvement among school, family, and community so that it has a positive effect on student achievement and school climate
- To design and implement a program for technology that addresses the state standards.

We are into our second year of **professional grade level teams**. These teams meet weekly with the principal, assistant principal, classroom teachers, Title I teachers and special education teachers. Our meetings have taken on great importance for they focus on discussions of curriculum and the state standards. At the meetings, we set weekly instructional goals and look at the strategies we will use to teach them. We also look at the results of our weekly assessments to see how successful we have been. These ongoing discussions have proven invaluable in our efforts to meet the needs of all of our students and have shown increased academic achievement .

We have been fortunate to have Professor Deborah Black from Keene State College acting as our consultant in this process. Dr. Black comes to us as a result of our being named a professional development site by the college.

Seventeen of our teachers participated in workshops and seminars this past summer on developing professional teams in schools. We have been implementing a model designed by Mike Schmoker and described in his book ***Results Now***. A study of this book by all involved preceded our development of grade level teams at our school.

It has been quite a year for retirements. Eight of our staff with long standing ties to the school retired in June of 2008. Mrs. Pam Nicholson, Mrs. Ruth Joslin, Mrs. Melanie Harrison, and Mrs. Rita Oberacker retired as classroom teachers. Mrs. Carol Howe, Mrs. Rose Napierkoski and Mrs. Doris Mitchell retired from secretarial positions, and Mrs. Ginny Crowl retired from her position in the cafeteria. They all represent years of devoted service to the

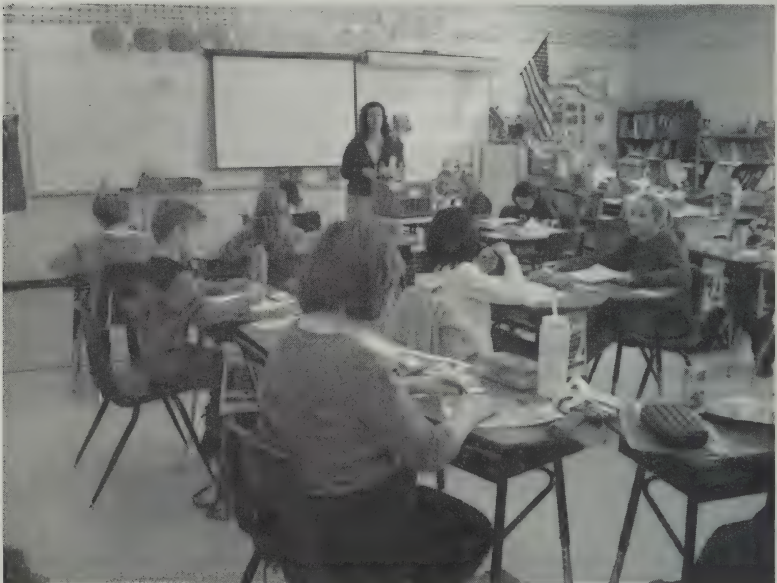

community and its children. We wish them the best and offer them our sincerest gratitude for the quality they have brought to us.

We are appreciative that, even in the difficult economic period the nation is experiencing, our school retains the financial support of the community. We approach the challenges of today's schools with enthusiasm and optimism. Our vision calls for a quality community school where all children will build on their strengths and will succeed. The involvement of families and community is crucial to our success and is always appreciated.

Respectfully submitted,

David Funkhouser

Principal

Winchester School District Special Education Report 2008-2009

Last year as I sat and wrote my opening statement for the 2008 Annual Report I spoke of turbulence and change. I promised to provide the most fiscally viable, educationally responsible process as possible. I am proud to state that we have made significant achievements in many areas. The groundwork laid has served us well but there is still more to be done to stay in line with the growing economic pressures experienced in the school community.

For three years the NHSEIS web based database and IEP system have been reported in the Annual Report. After some difficulties with the initial start up, I am pleased to report that improved working knowledge and diligence on the part of all building based and SAU Special Education Office staff has paid off this year. Through regular monitoring of monthly expenses via the NHSEIS financial page, errors and IEP inconsistencies were promptly found and corrected. This resulted in the most accurate and complete financial Catastrophic Aide submission to date which translates to a greater monetary return to the school district by the State of New Hampshire.

There are two new faces at The Winchester School this year. The first is Mr. Donald Laclair who was hired to fill the new half time position of Special Education Building Coordinator in September 2008. Modeled after similar positions at other area schools, the role of SPED Building Coordinator is designed to provide building based oversight of special education teachers, programs and IEP management. This position is funded through the IDEA grant. The Winchester School also welcomed our new COTA, Michelle Bemis, in December 2008 who replaced Kate Smith as shared COTA between Winchester and Hinsdale.

The SAU office is pleased to announce the addition of Kathryn Wyman as Special Education Coordinator. Kathy comes to us from Hinsdale Elementary School where she served as building based Special Education Coordinator. She holds both a Principal and Special Education Administration certificate and has many years of both regular and special education experience. Kathy replaced Sam Romano and shares the overseeing of students placed in out of district placements with Dr. Richard Matte. Additionally, she is available to individual schools when technical support on IDEA law or procedures is required.

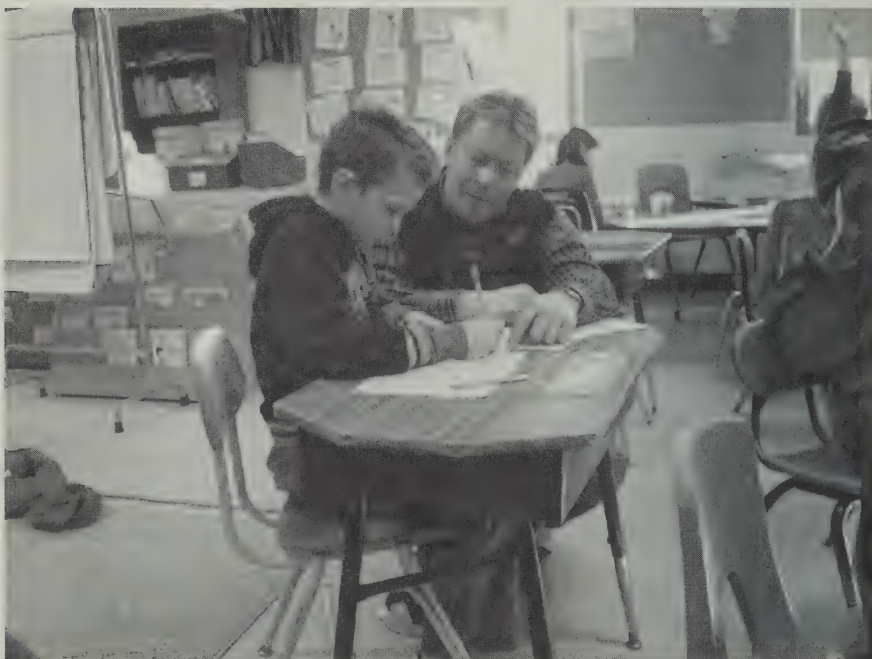

In this coming year we pledge to continue to review and revise our educational practices to deliver the most economically sound provision of services. We will do this while upholding high educational standards without sacrificing our obligations to provide a Free and Appropriate Public Education to our special needs students.

Respectfully submitted,

Judith E. Bischoff, M.Ed.

Director of Student Services

School Administrative Unit # 38

**WINCHESTER SCHOOL DISTRICT DELIBERATIVE
SESSION
WINCHESTER SCHOOL GYM
FEBRUARY 7, 2008**

School Board Members present: C. Duquette, C. Thompson, V. Cole, B. Moser, G. O'Neal.

Administration Present: D. Crisafulli, T. O'Connor, J. Bischoff

The Pledge of Allegiance was recited.

Board Members, Administration, Town Officials and Attorney Matt Upton were introduced.

Moderator, Henry Parkhurst called the meeting to order at 7:14 pm.

Henry Parkhurst read the warrant Articles as printed.

K. Whippie MOVED to accept Articles One through Six on the school budget as printed; SECONDED by: C. Thompson,

H. Parkhurst introduced the candidates for two, three-yr term School Board seats:

*Wendy Hildreth

*William Klaus

*Gary O'Neal

*Chris Thompson

John Frado opposed the Motion; feels it shortcuts the democratic process.

Kevin Whippie feels it doesn't short circuit any discussion on any Warrant Article; it just moves the whole thing forward expeditiously.

H. Parkhurst advised if there is a vote in the affirmative, this Warrant will go to the printers and the voters as is.

Roberta Frasier asked about the crossing guard; why is it not on a Warrant Article. C. Thompson explained it is in the budget, level funded at \$7,200.00. C. Duquette explained that is for 180 days at two hours per day, for \$20.00 per hour.

William Klaus asked about Article Four. Does that include a contract for the service of computers? C. Thompson explained they have a copy of the lease. Were leaning toward fixed PC stations that have leases on them. However, the cost was almost the same to purchase rather than lease.

K. Whippie - We wouldn't incur costs for the disposal of computers?

C. Thompson - Would likely be the intention to purchase for a \$1.00 buy out as allowed in the contract.

John Frado asked for clarification on Article One. Why is the default more than this year's budget?

C. Thompson compared the new budget to where it is now.

J. Frado was confused. C. Thompson said everything was going up except for the default budget. Feels this is incredibly misleading.

C. Thompson explained the budget incorporates all anticipated needs. The amount needed also depends on the amount received from aid.

J. Frado asked how much more or less did we get from the State this year than last year?

T. O'Connor advised we received \$1,266,150 for the current year's adopted budget and \$1,494,928 recommended by the Budget and Board.

K. Whippie advised if we don't go to the polls and adopt the budget, we negate the work done by the Board and the Budget Committee to bring in a responsible budget. He feels we need to talk this up and make it clear that if this budget doesn't pass, we will pay more; maybe for less.

H. Parkhurst advised that there was an article in last night's paper advising that the Winchester school budget is up less than two percent.

Billie Jo Newell asked about Article Three. She wanted to hear from the Budget Committee as to why they did not recommend this Article. S. Tedford explained that the original request received by the Budget Committee was \$200,000. Any money left in the operating budget would help reduce taxes. If we pass Article One and all other articles pass, could end up with a lower tax rate. Billie Jo Newell asked what S. Tedford would recommend for Article Three? S. Tedford advised that he will vote not to approve the article; he doesn't think we need it. He explained that that is his personal vote only. C. Thompson explained initially asked for \$200,000 at outset as felt Special Ed was insufficiently funded, but realized sufficiently funded and put it back to \$50,000. At end of school year one child can put us back over \$100,000. Have \$50,000 currently. Kids in district individually can cost \$200,000. Can avoid supplemental appropriation by having that account; it is still the taxpayer's money. Trevor Croteau explained that the Budget Committee originally recommended up to \$25,000. G. O'Neil explained that he and Chris Thompson go over Special Ed funding issues on a regular basis. There is a student currently in Keene now in residential placement; could cost us \$150,000. C. Duquette - The School Board had to use \$100,000+ this year due to a deficit in Special Ed, to balance the books.

William Klause - How do you determine the cost for special needs students?

Matt Upton explained all Special Ed services go through a process with Special Ed teams. Students can ultimately be placed in a residential placement after everything has been done to keep them in school.

C. Thompson advised we are responsible for students from age three. Once they are identified by their primary care provider, they become our responsibility to work with Special Education. We can see these children come through our preschool program, we can see these children come up as every year progresses and Jude can budget and anticipate what their next year's needs will be.

H. Parkhurst asked isn't there an exit age that the school is responsible for the students?

C. Thompson advised 21.

C. Thompson advised it is easy for one or two variables to pop in. In a very short period of time, we could have a 10% increase in our student body and 23% of our children have special needs that we're not budgeted for right at this moment. So should this develop and continue in the town of Winchester, these are needs we're going to see. Feels this slush fund is miniscule in the scope of the budget and is paramount in being able to level fund things throughout the year and not have to have these special meetings.

William Klause - Seems like a lot of guess work just to throw a number out like \$50,000.C. Thompson - It is budgeting.

H. Parkhurst advised having watched people, there is very little guess work. They strain every bit of mind power, muscle power and money power to get the very best we can get for our children. I would suspect that anybody who has not been on one of these school board's or budget committees has no idea. They have to sit hour after hour weighing everything. We should be very much grateful and indebted to the people who do volunteer.

Jacky Stetzer - On behalf of the Winchester Head Start, she advised they greatly appreciate the fact that they can bring students to be tested and consult with the Special Ed Department.

K. Whippie - His assumption is that the School doesn't come up with the costs for Special Ed. We are billed dependent upon care. Our cost is according to how many students are receiving services.

C. Duquette advised the Article would only go into place if we had a fund balance at the end of the year and would only be used for Special Ed costs.

Jacky Beaman - Do you plan to go forward with hiring a Special Ed Director that was proposed?

C. Duquette - That money has been taken out. Not going to say won't

be hiring that person; but the money has been taken out.

S. Tedford - Saving for a rainy day is fine, but a fund balance of \$390,000 to reduce taxes, is that extra money in the budget?

G. O'Neal - We are looking to other revenue sources; explained there is a 70% reduction in Special Ed reported from Washington.

J. Frado doesn't think S. Tedford's question was answered.

S. Tedford asked if someone on the School Board would explain the fund balance of \$390,000.

T. O'Connor explained that the Board and members of Administration have been carrying around some fairly substantial binders around with the materials that go into the preparation of the school district budget and have reviewed it extensively. There was a complete overview of the budget process. He explained there would be a \$390,000 fund balance at June 30, 2008 if certain events were to take place. Components would include savings from Catastrophic Aid revenue in excess of budget amounts and savings in health costs. Estimates are based on the report from the State of NH information received from us for Special Ed costs for year ended 6/30/07. It is not a very solid number, but was extremely high because we incurred significantly higher costs for Special Ed than were budgeted for. Those costs are in a great way compensated by a program that the State provides as reimbursement in the following year. When the budget was done, it was estimated we would receive \$320,000, but the report then indicated we would receive additional money. T. O'Connor included that money as additional revenue. The State has now delayed reimbursement and they could reduce the amount received. To date, T. O'Connor explained we have received \$266,000. He is hoping that we get to the \$320,000 to reduce the tax rate. If they send \$60,000, he will not be short in his budget this year.

J. Frado feels no one will vote against money for Special Ed, but he is concerned about voting on guess work. Consistently have surplus, but are still being asked for additional money. What is wrong with going to a special meeting?

H. Parkhurst - The answer is there is nothing wrong with it.

J. Frado - Then why are we asking for money now?

Matt Upton explained a supplemental meeting is a cost and drain on manpower.

J. Frado advised the cost is \$3, 5000 for a meeting with ballot votes.

C. Thompson explained the fluctuation in costs. You can only imagine how much heating oil this place uses. So the idea that we stick within a couple of hundred thousand dollars on a budget of this scale, he thinks is something beyond remarkable. Every dollar goes back to taxpayers.

J. Frado feels they do a good job in that respect; that's a pretty good margin. But feels there is consistently a surplus; why do we need the money now? C. Thompson - If regular ed accounts are short will not take money from the Special Ed account or vice versa. J. Frado asked would will still have to go back for an additional \$50,000? C. Thompson - No, we would make the best guess with Jude, etc. C. Thompson advised had a deficit in Special Ed and withdrew \$100,000 from the Special Ed Warrant.

Roberta Frazier - The school budget is not a bottom line budget? C. Duquette - Yes it is.

R. Frazier - So we would not need a special meeting until the whole budget was expended?

C. Duquette - Correct.

R. Frazier - Feels should be expended from somewhere else first. C. Duquette explained we took \$100,000 out of the Warrant account and the rest of the budget to offset the Special Ed line item. R. Frazier feels if Special Ed gets overdrawn, the Board should see if there is anywhere they can take money from first. C. Thompson explained we were overdrawn more than \$100,000 in the Special Education line item. Explained there are certain things that must be done, such as running the plow, electricity, etc.

C. Duquette - The Board had agreed if there was anything over \$50,000 in Special Ed account would return to taxpayers. It didn't happen this year. R. Frazier - If not enough money in the Special Ed account, would you go to the Town for a special meeting or the bottom line? C. Duquette - The bottom line or Warrant Article account. Special Ed fluctuates so much. R. Frazier - Instead of using money from the fund, feels we should use it from budget first.

C. Duquette - Explained have done it a number of different ways. Special Ed is mandated. It is something we must do; sometimes at the expense of regular ed students.

MOTION PASSED BY VOICE VOTE.

H. Parkhurst advised the School Warrant will go to the printer as printed.

S. Tedford MOVED to recess the meeting at 8:05 pm.

Respectfully submitted,

Peggy Higgins

**STATE OF NEW HAMPSHIRE
WINCHESTER SCHOOL DISTRICT WARRANT FOR
MARCH 11, 2008**

**To the inhabitants of the Town of Winchester in the County of Cheshire
and the State of New Hampshire, qualified to vote in school affairs:**

You are thereby notified to meet at the Winchester Elementary School Gym at 7:00 PM on **THURSDAY, February 7th, 2008**, to consider the following articles in deliberative session, pursuant to RSA 40:13. The official voting of the business of the School District as determined at the deliberative session and the election of School District Officers will be held at the Winchester Town Hall on Tuesday, March 11th, 2008 with the polls open between the hours of 8:00 A.M. and 7:00 P.M.

**FOR SCHOOL
BOARD MEMBERS 3 YEAR TERM VOTE FOR TWO**

William Klaus	140	Gary O' Neal	294*
Chris Thompson	242	Wendy Hildreth	459*

* declared elected

<u>Yes: 510</u> No: 194

ARTICLE ONE: Shall the Winchester School District raise and appropriate as an operating budget, not including appropriations by special warrant articles, and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$10,048,109 Should this article be defeated, the default operating budget shall be \$10,157,466, which is the same as last year, with certain adjustments required by previous action of the Winchester School District or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI to take up the issue of a revised operating budget only. **(Note: this operating budget warrant article does not include appropriations contained in ANY other warrant articles.)** The School Board recommends this article. The Budget Committee recommends this article.

<u>Yes: 429</u> No: 272

ARTICLE TWO: Shall the voters of Winchester School District adopt a school administrative unit [SAU38] budget of \$1,842,413 for

the forthcoming fiscal year in which \$262,654 is assigned to the school budget of this [Winchester} school District?
This year's adjusted budget of \$1,772,572, with \$25,698 assigned to the school budget of this school district, will be adopted if the article does not receive a majority vote of all the school district voting in this school administrative unit.

Yes: 272 No: 429

ARTICLE THREE: Shall the Winchester School District vote to raise and appropriate “up to” \$50,000 to be placed in the Special Education Expendable Trust Fund, and authorize such amount to be funded from the June 30, 2008 unreserved fund balance available for transfer on July 1, 2008? **[NOTE: This article will not require any additional funds to be raised through general taxation during the current fiscal year.** The School Board recommends this article. The Budget Committee does not recommend this article.

Yes: 379 No: 316

ARTICLE FOUR: Shall the Winchester School District vote to authorize the school board to enter into a 4-year lease agreement for the purpose of leasing 25 computers, and to raise and appropriate the sum of \$7,065.62 for the first year's payment for that purpose? This lease agreement contains an “escape” clause. The School Board recommends this article. The Budget Committee recommends this article. (Majority vote required)

Yes: 620 No: 75

ARTICLE FIVE:

Shall the Winchester School District receive the reports of its agents, auditors, committees, and officers?

Yes: 494 No: 194

ARTICLE SIX: Shall the District vote to transact any other business as many lawfully come before the meeting

WINCHESTER STATE/FEDERAL/PRIVATE GRANTS

Winchester School Health Office Report 2008-2009

The School Health Office continues to be a very busy place. Taking care of the children's and health issues/illnesses; medications and injuries, hearing/vision screenings are just a part of my practice here in Winchester. I constantly teach children about hygiene and am a resource for parents and staff with health related issues.

Winchester School again was recognized as being a "100% School" I contacted all families who did not have health insurance noted on their child's emergency form to make sure they were aware of the availability of NH Healthy Kids – state health insurance assistance program..

Oral health continues to be an issue for so many of our children. They are not the only ones. In a 2004 Oral Hygiene survey of 3rd grade students in NH, 51% already had a history of tooth decay. 24% had active decay. In a 2007 a NH Head Start survey of 3-5 year olds, 40% had a history of tooth decay and 31% had active decay. We are so fortunate in the region to have the "Cheshire Smiles" program providing basic oral health hygiene to Pre K- 3rd graders. - 225 children were offered initial dental screenings

- 146 were screened

- 42 declined and 37 parents did not respond

Prevention: - 38 children were offered preventive care (tooth cleaning in school)

- 29 received the care

- 6 declined and 3 parents never responded

Restorative Needs: 16 of those 29 children (55%) needed further care by a dentist

Sealant Needs: 12 of the 29 children (41%) who received in preventive care were invited to "Sealant Day"

Education: 200 children from 12 classrooms (grades K-3) participated in a dental health activity. 25 children from 2 preschool classes participated in a dental health activity.

This year Cheshire Smiles is extending its program to offer preventive dental cleaning to the 7th and 8th grades.

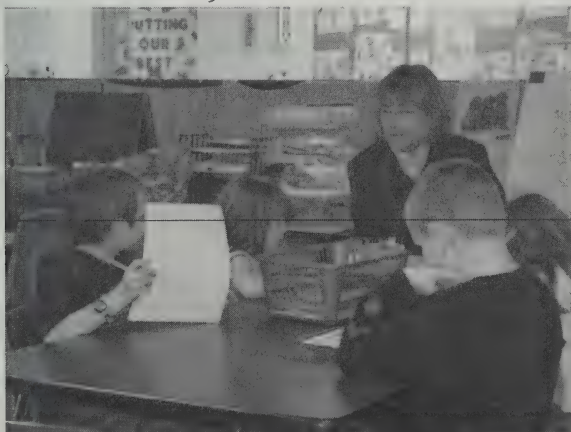

The schools in NH had an opportunity to purchase AEDs (Automated External Defibrillators) through the NH Bureau of Emergency Medical Services at an extraordinarily low price. We were able to purchase two defibrillators. One is placed in the elementary school office and the other is in the middle school office each with First Aid Bags for easy access if an emergency. At the end of June 2008 the ELM Center offered CPR/First Aid Certification at a low price. Nine

staff members took the training and are now certified. We are fortunate to have this kind of medical support here for emergencies. There is now a new NH law that mandates a CPR/First Aid Certified person accompanies all field trips.

One of the outstanding workshops I was able to attend was presented at Kurn Hattin by Rosiland Wiseman who authored the book “QueenBee Moms and KingPin Dads”. She gave insight from the children’s and parent’s perspectives of issues at school so staff could improve relationships with them when issues arise. I continue to attend the Wellness Committee and Joint Loss Committee meetings. Child obesity continues to be “the” health issue in the USA. I was invited by our “Access After School Program” to attend a “CATCH” workshop that demonstrated non-competitive, fun for all, team and esteem building games that all children can play. The goal is to get kids up and moving no matter of skill, these are not “organized sports” or use expensive equipment. This is used now in the “Access” program. An RN working on her Masters Degree focusing on obesity is offering a “walking program” during the After School Access time 5-6pm. She has acquired pedometers and has 46 children already signed up to participate. Our Director of Food services continues to do a tremendous job exposing and offering yummy healthy foods, vegetable and fruits (low sugar and fat content) to the children as another way to address this issue.

Respectfully Submitted,

Lori Bartashevich, RN

Report of the Winchester Access Program 2008-2009

“Keeping kids safe, helping families, & inspiring learning.” Throughout the 2007-2008 school year the Winchester ACCESS Program (*serving students in grades K-8*) has made major strides in fulfillment of this motto. Winchester ACCESS (All Children Cared for Educated Supported & Successful) is comprised of two 21st Century Community Learning Centers and this year welcomes Angela Dorcus as the new site coordinator for both centers. It has been our goal at ACCESS, to not just settle for the status quo in extended learning & out-of-school programming but to help set the standard; and in pursuit of this we have accomplished the following:

Safety

Each site has developed and regularly practices a program specific emergency response plan and has a strong sign-out procedure to ensure student safety and awareness for staff, students, and parents. In regards to programming & daily communication, students & parents are surveyed regularly on participants’ needs while the site coordinators maintain daily communication with the building level administration, faculty and staff to insure students’ needs are met with the greatest level of effectiveness. The director & site coordinator have worked with district staff & administration to establish a monitoring system that assures each center’s practices are aligned with district policies & procedures.

Help Families

Based on increased enrollment Winchester ACCESS offered programming before school from 6:30-8:30 am for elementary aged children while both the elementary & middle school clubs/programs offered extended learning opportunities including home work assistance from 3:00 – 6:00 pm during the days school was in session. An added benefit of the program is that participants have the opportunity to receive a healthy, nutritious breakfast and/or pm snack daily

In an effort to lighten the financial burden for families and develop the sustainability of the program, Winchester ACCESS continues to partner with the NHDOE: 21CCLC, NHDHHS: Child Development Bureau, as well as JCPenney’s & 4-H to provide scholarship opportunities for participants. Thanks to these partnerships many new children were able to join the program.

Regarding the Summer Campership Program, Winchester ACCESS has expanded to include 12 summer camp partners throughout New England to provide greatly reduced rates (in most cases 90% less than the actual cost) for children and families ranging from outdoor adventure and science based activities to the humanities

and athletics. Since 2008-2009 school year is year 5 of the NHDOE: 21CCLC grant, Winchester ACCESS will be reapplying for the NHDOE's 4.5 year extension grant as well as to other funding sources to provide affordable programs, clubs, and extended learning activities for both school year & summer programs to the youth, children & families of Winchester & Ashuelot.

Inspire Learning

Clubs & activities in the program include but are not limited to: homework support, woodworking, "Hometown Heroes", snowshoeing, "Things that go", health & wellness, teambuilding & leadership, art, reading, farming, conservation work, biking, service learning, fishing, entrepreneurship, summer enrichment programming, etc...

This year we employed staff and volunteers at each site which included school day staff and faculty, community members, Keene State College students, Girls Inc. staff members, woodworkers, farmers, knitters, Keene High School students, Boy Scouts of America staff and a number of other professionals who enthusiastically shared their interests, talents, and hobbies with the children of our community. Because of these and our 26 partner organizations and businesses, we were able to offer numerous weekly activities that were coordinated with school/district goals & curriculum allowing students to increase their academic, social, and vocational skills.

Many thanks to UNH Co-Operative Extension, JCPenney's, Cheshire County Commissioners', Wal*Mart, MFS, Big Brothers Big Sisters, Girls Inc, Keene State College, Monadnock ACCESS, and the numerous other partners who have provided quality enrichment activities for our children and families.

In our pursuit of strengthening the program and developing ourselves professionally the site coordinators and director have all remained active members of Communities and Schools Together (CAST) and the Cheshire County After school Network (CCAN) as well as regularly attending state and New England regional meetings and conferences hosted by the NH Dept. of Education with the purpose of engaging community members and education/service professionals to increase the quality of out-of-school programs for youth of all abilities through peer learning, professional development and educating decision makers.

“Keeping kids safe, helping families, & inspiring learning.” This has been our motto and we look forward to continuing to serve the children, families, and community members of Winchester & Ashuelot with the highest level of out-of-school programming and extended learning opportunities well into the future.

Respectfully Submitted,

Jeremy S. Miller, M.Ed.

Director
